SMALL BUSINESS DROP-IN SUPPORT

In addition to the services provided through the **Microenterprise & Small Business Development Program** (www.pdc.us/smallbiz), small businesses can access drop-in advising located within the city's priority neighborhoods. This service is provided ***AT NO COST*** to the business and is intended to provide light-touch business technical assistance for up to 10 hours per business.

Assistance offered in the following areas:

- Starting a business
- Business Plan development
- Accounting and finances
- Client development
- Licensing and permitting
- Marketing and advertising
- Increasing revenues
- Bookkeeping and business management
- Referrals to additional services/partners (e.g. Small Business Legal Clinic, small business development workshops, credit repair services, market research)
