

Employee Alerts

In April 2014, City Council passed a resolution requiring all bureaus to collect employee contact information, including personal telephone numbers, email addresses, and devices capable of receiving text messages, and that the information would be safeguarded and only used to contact employees in an emergency, like a city office closure due to inclement weather or an earthquake.

The screenshot shows the SAP CityLink interface for the City of Portland, Oregon. The page is titled "Communications" and displays a form for updating employee contact information. The form is organized into several sections: Employee, Email, Telephone, and Work Location. The Employee section includes fields for Personnel No., First name, Nickname, Middle name, Last name, Job Title, and Pers. Area. The Email section includes fields for Work Email and Home Email. The Telephone section includes fields for Home, Work Phone, Personal Mobile, Work Phone 2, Personal Phone 1, Work Mobile, Personal Phone 2, Work Fax, Personal Phone 3, and Work Pager. The Work Location section includes fields for Worksite and Room Number. The Worksite field is populated with "Bureau of Emergency Management" and "9911 SE Bush Street Portland, OR 97266-2562". The Room Number field is empty. At the bottom of the form, there is an "Edit" button with a right-pointing arrow, which is highlighted with a red box. An arrow from the text "Click the Edit button to begin editing" points to this button.
