

## Before Starting the Project Listings for the CoC Priority Listing

Collaborative Applicants must rank or reject all Project Applications –new projects created through reallocation, renewal projects, CoC planning projects, and UFA Costs projects - submitted through e-snaps from project applicants prior to submitting the CoC Project Listings.

Permanent Supportive Housing (PSH) Bonus projects must also be ranked on the New Project Listing using 999. Collaborative Applicants can only submit 1 PSH Bonus project.

Additional training resources are available online on the CoC Training page of the OneCPD Resource Exchange at: <https://www.onecpd.info/e-snaps/guides/coc-program-competition-resources/> .

### Things to Remember

- There are four separate forms in e-snaps that make up the Priority Listings, which lists the new projects created through reallocation, renewal, CoC planning, and UFA Costs project applications that the Collaborative Applicant intends to submit on behalf of the CoC. The Priority Listing ranks the projects in order of priority and identifies any project applications rejected by the CoC. All renewal and new projects created through reallocation, CoC planning, and UFA Costs project applications must be accepted and ranked or rejected by the Collaborative Applicant. Ranking numbers must be unique for each project application submitted.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY2014 CoC Ranking Tool located on the OneCPD Resource Exchange to ensure a ranking number is used only once. The FY 2014 CoC Ranking Tool will assist the Collaborative Applicant during the ranking process among the four Project Listings.
- Any project applications rejected by the Collaborative Applicant must select the reason for rejection.
- Collaborative Applicants are required to notify all project applicants no later than 10 days before the application deadline regarding whether their project applications would be included as part of the CoC Consolidated Application submission.
- If the Collaborative Applicant needs to amend a project for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant must be sure to rank the amended project once it is returned to the Project Listing and verify that the rank number assigned has not been assigned to another project on a different Project Listing.
- Only 1 CoC Planning project can be ranked on the CoC Planning Project Listing.
- Only 1 UFA cost project can be ranked on the UFA Cost Project Listing.
  
- Only 1 PSH Bonus project can be ranked, using 999, on the New Project Listing.

### Instructions:

The fields on this screen are read only and reference the information entered during the CoC Registration process. Updates cannot be made at this time. If the information on this screen is not correct, contact the One CPD Resource Exchange Ask A Question at <https://www.hudexchange.info/ask-a-question/>.

**Collaborative Applicant Name:** City of Portland

## 2. Reallocation

### Instructions:

FY 2014 CoC Priority Listing Detailed Instructions URL: <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources> .

**2-1 Is the CoC reallocating funds from one or more eligible expiring grant(s) into one or more new permanent supportive housing projects dedicated to chronically homeless persons?** No

**2-2 Is the CoC reallocating funds from one or more eligible expiring grant(s) into one or more new rapid re-housing project for families?** Yes

**2-2.1 If the CoC is planning to reallocate funds to create one or more new rapid re-housing project for families, describe how the CoC is already addressing chronic homelessness through other means and why the need to create new rapid re-housing for families is of greater need than creating new permanent supportive housing for chronically homeless persons.  
(limit 1000 characters)**

The CoC is committed to Opening Doors goals to end chronic homelessness (CH) and to serving other highly vulnerable homeless subpopulations as prioritized in our local plan to end homelessness adopted and enacted by our CoC Board. Locally prioritized vulnerable populations include households with children. Currently nearly \$8M (61%) of the CoC’s HUD-funded annual renewal demand funds permanent supportive housing (PSH), most of which is dedicated or prioritized to CH. These CH-oriented HUD funds are leveraged or matched by more than \$10.2M in other funding. In 2014, the CoC proposes to expand available HUD PSH funding for CH by 25% (\$1.9M) through a bonus project application matched or leveraged by more than \$5.6M in additional newly dedicated CH funding. Rapid rehousing dedicated for homeless families, by contrast, receives only 9% of our HUD-funded ARD. It is a critical component of our CoC’s coordinated access system, where need for rapid rehousing far exceeds currently funded supplies.

**2-3 If the CoC responded 'Yes' to either of the questions above, has the recipient of the eligible renewing project being reallocated been notified?** Yes

### 3. Reallocation - Grant(s) Eliminated

**CoCs planning to reallocate into new permanent supportive housing projects for the chronically homeless or rapid re-housing for households with children may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating projects entirely must identify those projects on this form.**

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$384,212				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
Opening Doors Rap...	OR0016L0E011303	TH	\$384,212	Regular

### 3. Reallocation - Grant(s) Eliminated Details

**3-1 Complete each of the fields below for each eligible renewal grant that is being eliminated during the FY 2014 reallocation process. CoCs should refer to the final HUD-approved Grant Inventory Worksheet to ensure all information entered here is accurate.**

**Eliminated Project Name:** Opening Doors Rapid Re-Housing

**Grant Number of Eliminated Project:** OR0016L0E011303

**Eliminated Project Component Type:** TH

**Eliminated Project Annual Renewal Amount:** \$384,212

**3-2 Describe how the CoC determined that this project should be eliminated.  
(limit 750 characters)**

The project grantee voluntarily elected to eliminate the project as it was originally awarded as a rapid rehousing demonstration project in the 2008 CoC competition. As such, HUD has determined that it is limited to a transitional housing, leasing model. The grantee determined that a transitional housing leasing model was less effective than rapid rehousing with rental assistance. In order for the CoC to create new permanent housing for homeless families (a high local priority) using a more effective rental assistance model, we had to eliminate this transitional housing leasing project. The decision was approved by our CoC Board.

## 4. Reallocation - Grant(s) Reduced

CoCs planning to reallocate into new permanent supportive housing projects for the chronically homeless or rapid re-housing for households with children may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing projects must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type
This list contains no items					

## 5. Reallocation - New Project(s)

CoCs must identify the new project(s) it plans to create and provide the requested information for each project.

Sum of All New Reallocated Project Requests  
(Must be less than or equal to total amount(s) eliminated and/or reduced)

\$384,212				
Current Priority #	New Project Name	Component Type	Transferred Amount	Reallocation Type
7	Rapid Re-Hou...	PH	\$384,212	Regular

## 5. Reallocation - New Project(s) Details

**5-1 Complete each of the fields below for each new project created through reallocation in FY 2014. CoCs can only reallocate to new permanent supportive housing for 100 percent chronically homeless or rapid re-housing for households with children coming from the streets or emergency shelters.**

**FY 2014 Rank (from Project Listing):** 7

**Proposed New Project Name:** Rapid Re-Housing Initiative

**Component Type:** PH

**Amount Requested for New Project:** \$384,212

## 6. Reallocation: Balance Summary

**6-1 Below is the summary of the information entered on the reallocated forms. The last field "Remaining Reallocation Balance" should equal '0'. If there is a positive balance remaining, this means that more funds are being eliminated or reduced than the new project(s) requested. If there is a negative balance remaining, this means that more funds are being requested for the new reallocated project(s) than have been reduced or eliminated from other eligible renewal projects.**

### Reallocation Chart: Reallocation Balance Summary

Reallocated funds available for new project(s):	\$384,212
Amount requested for new project(s):	\$384,212
Remaining Reallocation Balance:	\$0
