

Emergency Shelter and Services for Persons Experiencing Homelessness in Portland & Multnomah County, Oregon • 2014-2015

The City of Portland and Multnomah County fund year-round, winter and severe weather emergency shelter. There are also privately-funded organizations that provide shelter services. There are 611 emergency shelter beds available year-round.

Winter shelter is available from November 1-March 31, unless otherwise indicated below. Approximately 297 additional beds are available during the winter season for men, women, and families. See the detailed numbers below for specific programs.

Severe weather emergency shelter is also available when the City declares a **Severe Weather Notice**, based on temperature/wind chill at 25°F or less, or other life-threatening weather conditions. When severe weather is declared, up to 150 additional beds may be made available.
