

A consortium made up of the City of Portland, the City of Gresham, and Multnomah County will invest millions over the next fiscal year to help address the community's need for affordable housing and community economic development.

## **How are rising rents and home prices affecting your household?**

You are invited to participate in the Annual Community Need Meeting as one of several ways to offer input on an annual spending plan for this federal investment in housing and community economic development.

# **ANNUAL COMMUNITY NEED MEETING**
