## **Comprehensive Inclusionary Housing Program Development Framework**

On February 10, 2016, through Resolution No. 37187, City Council asserted its intention to engage in a fair, deliberative, data-driven community discussion of potential enabling ordinances resulting from the potential removal of the preemption on inclusionary housing in the 2016 State Legislative Session.

As SB 1533 was enrolled by the State Legislature and subsequently signed by the Governor, the City of Portland intends to begin the process to assess the feasibility of developing a comprehensive inclusionary housing program. Outlined in this memo is an overview of the program development framework, including estimated timelines and deliverables, which the City intends to implement by the date allowed per SB 1533, November 29<sup>th</sup>, 2016.

### **Core components comprehensive inclusionary housing program development framework:**

1. Technical analysis consulting advisors
2. Panel of housing experts
3. Community-wide discussion series
4. Intra-bureau technical team

### **Technical Analysis Consulting Advisors**

The Housing Bureau is in the process of developing a contract with consultants from David Paul Rosen and Associates, with sub-consulting services from ECONorthwest, for an independent analysis of commercial and residential development in the City of Portland, the economic feasibility for a comprehensive inclusionary housing program, and the calibration of existing and potential voluntary and mandatory inclusionary housing programs that would be part of a comprehensive inclusionary housing program structure. The contract will be in place by April, at which point the consulting team will begin their work.

### **Panel of Housing Experts**

Housing Commissioner Dan Saltzman has invited individuals with housing expertise to serve on a panel of housing experts to provide input and guidance on the development of a comprehensive inclusionary housing program. The panel will be expected to hold monthly public meetings to review the various components of assessing the feasibility for, and the development of a comprehensive inclusionary housing program. In addition, the panel will be expected to meet, as needed, with the technical analysis consulting advisors and the intra-bureau technical team.

### **Community-wide Discussion Series**

In addition to the public meetings of the panel of housing experts, the technical analysis consulting advisors and the intra-bureau technical team will be expected to hold at least 3 community-wide public meetings at various stages of the feasibility assessment and program development process.

### **Intra-bureau Technical Team**

Staff from the bureaus of Development Services, Housing, Planning and Sustainability, among other staff, to serve on an intra-bureau technical team to provide data, information, and guidance, as needed, on the development of a comprehensive inclusionary housing program.
