

## 2A. Bond Production Goals

**Total of 1,300 units created (over next five to seven years):**

- All units affordable for households at 60% Area Median Income (AMI)
- 600 units deeply affordable for households earning 0%-30% AMI<sup>1</sup>
- 50% family-sized units (two to three bedroom), at both 30% & 60% income levels
