FORM A: Submittal Requirements for Existing Building Proposals

There is no limit on the number of proposals that may be submitted by any one proposer.

Existing Building Acquisition is defined as:

One or more existing buildings completed prior to the release date of this RFI, that contain residential units. Such building(s)/units may or may not require rehabilitation.

This category also includes a group of units within a single building. Such groups must be contained within a legally defined condominium such that PHB may have a fee simple interest in it. All other criteria of this RFI apply.
