**TUAN ANH
ELEVATIONS AND ROOF
PLAN**

All elevations, drawings and plans are built on this sheet as the original work product of the architect and are the property of Builders Design, Inc. and its parent corporation, and not of the user or any other party. It is not to be used for any other project without the prior written consent of Builders Design, Inc. Any use, reuse or disclosure of any plans, reproductions or project files, design and/or construction documents, whether they be: drawings, specifications, or project files, design and/or construction documents, without the prior written consent of Builders Design, Inc. is strictly prohibited. The architect and its parent corporation shall not be responsible for all dimensions and conditions shown on the job and the client must be notified of any variations from the dimensions and conditions shown in these drawings. Shop details must be submitted to the office for approval before proceeding with fabrication. Improvements or not indicated unless specified on every contract.
