#### Review:

The APR is written to Specifications;  
 uses HUD Data Standards;  
 is based on data entry using Entry, Exits, and Interim transactions.

The APR has 4 "sections";  
 All;  
 Veterans;  
 Chronically Homeless;  
 Youth.

Missing data also includes Data Not Collected;

Issues are not errors;  
 Errors should be cleaned up.

Not all clients will be ready to have an annual review transacted

Timeliness is important; strive for real time data entry.
