* Please note: A total of five projects (three private development projects & two PHB projects) have yet to submit their intake form (which identifies the total number of units required based on the option selected) which accounts for a projected minimum of 38 IH Units not accounted for in the total (coming to a possible total of 293 Non-PHB IH Units and 358 total IH Units). PHB staff cannot confirm totals of units by type for those same four projects. The affordability levels for the four projects that have yet to submit intake forms is unable to be determined.

** One project that had originally selected to make 100% of its unit IH, has reduced its IH Units back down to the minimum obligation, accounting for a difference of 54 units in the totals in previous months.
