Note: Data for 1/1/01 through 12/31/01 are from where the officer had a Mobile Digital Computer (MDC). Data are also included from 7/1/01 through 12/31/01 from foot patrol, bicycles, motorcycles, and mounted (horse) patrol. These data were collected through hardcopy forms. Contacts include: vehicle stops, person stops, or where an officer completed a Contact Data Collection screen for another call type.
Population data are from the 2000 U.S. Census and reflect residential populations. Individuals may have marked one or more races on the census form. Those who did are counted under Multiracial.

Totals may not total 100% due to rounding. Table includes those contacts where only one reason was given. The number of contacts where more than one reason was given was approximately two percent.

**Definitions:**

*Be on the Lookout for:* An individual or vehicle matching the description of a suspect or suspect vehicle in a recent investigation. This information may have been in a written report, transmitted by radio or from personal involvement in the investigation or incident.

*Criminal Code:* A visible violation of Oregon Criminal code conducted by an individual or group of individuals in the presence of an officer. This also may be the officer confirming what he/she believes to be violation of Oregon Criminal code.

*Municipal Code:* A visible violation of Municipal Code conducted by an individual or group of individuals in the presence of an officer. This also may be the officer confirming what he/she believes to be a violation of Municipal code.

*Vehicle Code:* A contact initiated as a result of the operation of a motor vehicle in violation of the Oregon Statutes dealing with the condition or operation of a motor vehicle on public or private lands and rights of way.

*Vehicle Inspection:* A contact initiated with the intent to carry out a PUC inspection on a commercial or marine vehicle to enforce Public Utilities regulations on the operation and condition of the commercial or marine vehicle.

Note: Data for 1/1/01 through 12/31/01 are from where the officer had a Mobile Digital Computer (MDC). Data are also included from 7/1/01 through 12/31/01 from foot patrol, bicycles, motocycles, and mounted (horse) patrol. These data were collected through hardcopy forms. Contacts include: vehicle stops, person stops, or where an officer completed a Contact Data Collection screen for another call type. Population data are from the 2000 U.S. Census and reflect residential populations. Individuals may have marked one or more races on the census form. Those who did are counted under Multiracial.

Definitions:

Be on the Lookout for: An individual or vehicle matching the description of a suspect or suspect vehicle in a recent investigation. This information may have been in a written report, transmitted by radio or from personal involvement in the investigation or incident.

Criminal Code: A visible violation of Oregon Criminal code conducted by an individual or group of individuals in the presence of an officer. This also may be the officer confirming what he/she believes to be violation of Oregon Criminal code.

Municipal Code: A visible violation of Municipal Code conducted by an individual or group of individuals in the presence of an officer. This also may be the officer confirming what he/she believes to be a violation of Municipal code.

Vehicle Code: A contact initiated as a result of the operation of a motor vehicle in violation of the Oregon Statutes dealing with the condition or operation of a motor vehicle on public or private lands and rights of way.

Vehicle Inspection: A contact initiated with the intent to carry out a PUC inspection on a commercial or marine vehicle to enforce Public Utilities regulations on the operation and condition of the commercial or marine vehicle.

Note: Data for 1/1/01 through 12/31/01 are from where the officer had a Mobile Digital Computer (MDC). Data are also included from 7/1/01 through 12/31/01 from foot patrol, bicycles, motorcycles, and mounted (horse) patrol. These data were collected through hardcopy forms. Contacts include: vehicle stops, person stops, or where an officer completed a Contact Data Collection screen for another call type. Population data are from the 2000 U.S. Census and reflect residential populations. Individuals may have marked one or more races on the census form. Those who did are counted under Multiracial.

Note: Data for 1/1/01 through 12/31/01 are from where the officer had a Mobile Digital Computer (MDC). Data are also included from 7/1/01 through 12/31/01 from foot patrol, bicycles, motorcycles, and mounted (horse) patrol. These data were collected through hardcopy forms. Contacts include: vehicle stops, person stops, or where an officer completed a Contact Data Collection screen for another call type. Population data are from the 2000 U.S. Census and reflect residential populations. Individuals may have marked one or more races on the census form. Those who did are counted under Multiracial.

Note: Data for 1/1/01 through 12/31/01 are from where the officer had a Mobile Digital Computer (MDC). Data are also included from 7/1/01 through 12/31/01 from foot patrol, bicycles, motorcycles, and mounted (horse) patrol. These data were collected through hardcopy forms. Contacts include: vehicle stops, person stops, or where an officer completed a Contact Data Collection screen for another call type. Population data are from the 2000 U.S. Census and reflect residential populations. Individuals may have marked one or more races on the census form. Those who did are counted under Multiracial.

**Definitions:**

Be on the Lookout for: An individual or vehicle matching the description of a suspect or suspect vehicle in a recent investigation. This information may have been in a written report, transmitted by radio or from personal involvement in the investigation or incident.

Criminal Code: A visible violation of Oregon Criminal code conducted by an individual or group of individuals in the presence of an officer. This also may be the officer confirming what he/she believes to be violation of Oregon Criminal code.

Municipal Code: A visible violation of Municipal Code conducted by an individual or group of individuals in the presence of an officer. This also may be the officer confirming what he/she believes to be a violation of Municipal code.

Vehicle Code: A contact initiated as a result of the operation of a motor vehicle in violation of the Oregon Statutes dealing with the condition or operation of a motor vehicle on public or private lands and rights of way.

Vehicle Inspection: A contact initiated with the intent to carry out a PUC inspection on a commercial or marine vehicle to enforce Public Utilities regulations on the operation and condition of the commercial or marine vehicle.
