National Testing Network Fee SCHOLARSHIP Request Form

The Portland Police Bureau uses an interactive testing process to better evaluate an applicant’s ability to engage with people and make quality decisions through scenario-based videos.

The National Test Network (NTN) provides this test and there is a \$49 fee associated with the service. However, the Portland Police Bureau does not want a fee to prevent any interested person from testing to become a Community Police Officer. If you are interested in exploring this opportunity but discouraged by the fee, please complete this Scholarship Request Form.

The Portland Police Bureau has scholarships available and if you have any questions please call the Personnel Division at (503) 823-0333. Receiving a scholarship has no bearing on your scoring or testing outcomes. Upon acceptance of this scholarship, the testing results are only valid for the Portland Police Bureau, and your test results will not be forwarded to other police agencies.
