
COMMUNITY LOOPBACK

Police Strategic Plan Project

This loopback is an opportunity for the Police Bureau to share the major themes we have heard throughout our meetings with community and bureau staff. This includes feedback from targeted focus groups, one-on-one interviews, and community meetings. All input will help inform the Bureau's 2019-2024 Strategic Plan.

Police Bureau personnel will be present to listen and help facilitate.

Agenda

Mix/Mingle (5 mins) – Meet each other and get settled.

Intro (8 mins) – A brief description of the project, where we currently are in the process, how the community is involved, and how this meeting fits in. Announce next meeting and where individuals can go for more information.

Set the Tone (7 mins) – Describe the meeting's structure and flow. Go over group agreements, including timing, topic areas, and respectful listening practices.

Small Group Discussion (15-20 mins per topic, three topics total) – A brief presentation of the major themes by Police Bureau goals, followed by small group discussions to address the following questions:

- Major themes: Are they accurately captured? Are they relevant?
- Creative solutions: What are your ideas for strategies to address the themes?
- Barriers/Opportunities: Are there specific barriers that may have to be overcome to implement the strategy or address the theme? Are there specific opportunities that currently exist?

Thank you and Next Steps (5 mins) – Review how this information will be used and additional ways to provide feedback. Announce next steps and where individuals can go for more information.
