Re: Response to BHUAC Recommendations from September 2018 Meeting

September 2018 Committee Votes and Recommendations

The committee recommends to accept the SOPs #1-3 and #2-1 as written and SOP #1-4 with wording changes.

SOP #1-4 Section: Purpose (as written)

*The BHU Crime Analyst is responsible for development, management, and reporting statistical data of police interactions **with persons in behavioral health crisis related to mental health and/or substance abuse.***

Purpose should read ..."**with persons in behavioral crisis that may be related to mental illness and/or substance use**".

RESPONSE: The BHU concurs with the recommendation from the BHUAC on changes to SOP #1-4 and will apply the change to the final version.
