Directive 1501.00, Field Training and Evaluation Program
Executive Summary

Introduction
The Department of Justice had previously identified Directive 1501.00, Field Training and Evaluation Program, as a directive requiring oversight as it pertained to the 2012 Settlement Agreement with the Portland Police Bureau (PPB). This directive was originally revised and approved by the DOJ in March 2018. In early 2019, PPB’s Policy Development Team initiated the next review of this directive with public comment periods starting in February and April, respectively. While public commenters provided suggestions to some procedures, the Policy Development Team conducted a thorough review of the directive and kept the policy intact as it is still operationally and procedurally sound. Additionally, the DOJ has not identified areas of the directive that conflict with the terms of the settlement agreement or expressed concern regarding the current procedures since the original approval in March 2018, and as such, the Bureau does not believe it necessary to make any changes to the directive at this time.

Public Comments
The Bureau received a handful of comments from community members over the course of both universal review and public comment periods. Suggestions from public commenters ranged from having recruits conduct field training assignments in different shifts, having multiple FTOs assigned to a recruit over the course of their field training, and having multiple evaluations conducted by the various firsthand supervisors who may supervise a recruit. The Bureau acknowledges these recommendations and strives to implement a program that supports the development of new police officers. Some of these suggestions are in fact already implemented in practice (e.g., assignments to different shifts, precincts, and FTOs). The Bureau’s Field Training and Evaluation Program is a comprehensive program designed to ensure all new recruits get the proper amount of training necessary to become a successful PPB sworn member.

We thank every individual who took the time to provide feedback on this directive. All comments received during both review periods are attached at the end of this document. We have removed all personal information to protect the privacy of commenters.

This directive will become effective on August 31, 2019.

Policy:
1. This directive establishes training procedures and program requirements for Bureau Recruits.

2. The Bureau is committed to appropriately training its Recruits to guarantee professional service delivery, while also engaging and serving the needs of the community. The FTEP is designed to provide new officers with the skills and experience necessary to meet the performance standards established by the Bureau for sworn members. The Training Division will provide instruction that equips this set of members with the tools necessary to carry out their functions safely, adequately, and professionally.

Procedure:
1. Field Training.
   1.1. All field training shall be consistent with PPB’s annual training plan.
   1.2. Recruit Officers.
       1.2.1. Recruits shall complete field training assignments on a rotating basis between at least two precincts.
1.3. Field Training Officers.

1.3.1. All FTO candidates shall have a demonstrable record of professional conduct and suitable work performance.

1.3.1.1. Members who have been subject to disciplinary action based upon the use of force or mistreatment of individuals with mental illness within the three preceding years, or twice in the preceding five years, shall be prohibited from serving as FTOs.

1.3.2. PPB shall select FTOs based on key factors that are set forth in the Training Division Standard Operating Procedure (SOP) 3-4. These factors include, but are not limited to the following:

1.3.2.1. Tenure as a permanently appointed sworn member;
1.3.2.2. Discipline history;
1.3.2.3. Performance history;
1.3.2.4. Demonstrated maturity; and
1.3.2.5. Demonstrated knowledge of Bureau policies and procedures.

1.3.3. The FTEP Director or designee shall provide a current list of FTOs to the IA Captain or designee. As FTOs are added, decertified, or they retire or are otherwise removed, the FTEP Director shall ensure that PSD/IA has an updated list.

1.3.3.1. If a case involving an FTO is opened, the IA Captain or designee shall provide notification to the FTEP Director within one business day when there are allegations that, if true, would impact the FTO’s ability to effectively train a recruit officer.

1.3.3.1.1. If the allegations are sustained and necessitate the removal of the FTO from the program, the IA Captain or designee must notify the FTEP Director within one business day of case closure.

1.4. Training Division.

1.4.1. The Training Division shall maintain a standard operating procedure (SOP) outlining the standards and criteria for FTO selection, training, certification, and de-certification.

1.4.2. The Training Division Captain or designee shall notify RU Managers of pending FTO Schools.

1.4.3. The Training Manager shall be responsible for the certification and re-certification of FTOs who have successfully completed FTO School.

1.4.4. RU Managers may request the suspension or de-certification of an FTO through the Training Manager. The Training Manager has the sole discretion to de-certify or suspend an FTO.

1.4.5. FTO qualifications.

1.4.5.1. All FTOs shall receive 40 hours of initial training and annual in-service training to maintain certification. The training captures the following key areas, which include, but are not limited to:

1.4.5.1.1. Management;
1.4.5.1.2. Intervention and counseling;
1.4.5.1.3. Scenarios;
1.4.5.1.4. Civil liability; and
1.4.5.1.5. Performance evaluation.

1.4.5.2. FTOs and Recruit Training Sergeants shall be required to maintain, and demonstrate on a regular basis, their proficiency in managing recruits and subordinates, practicing and teaching community-oriented policing, and solving problems effectively. PPB shall maintain current documentation of FTOs’ evaluations and training.

2. Training Phases.

2.1. Projected Completion Timelines.

2.1.1. Entry Phase: Four weeks.
2.1.2. Phase I: Five weeks.
2.1.3. Phase II: Five weeks.
2.1.4. Phase III: Five weeks.
2.1.5. Phase IV: Five weeks at a minimum.
2.1.6. Phase V: The Recruit Officer shall remain in Training Phase V until the completion of the probationary period.
2.1.7. The timelines listed for each phase, with the exception of Phase IV, are recommended schedules. The Bureau retains the right to modify those timelines and to terminate a recruit at any phase of the training process. Program advancement shall not automatically confer advancement to a permanent position until the recruit has successfully completed the probationary period.

2.2. Entry Phase through Phase IV.

2.2.1. Recruits shall generally begin the Entry Phase upon completion of the Basic Police Academy.
2.2.2. Recruits shall then incrementally advance to Phase V (working independently) through a comprehensive and progressive process involving field training, observation, critique, evaluation, and review. The Recruit shall be given additional responsibilities as their skills develop. The Recruit shall be assigned to ride with a certified FTO in all training phases except Phase V.
2.2.3. FTOs shall not be assigned the same Recruit for more than two consecutive training phases.
2.2.4. FTOs shall work with their Recruits to complete the Department of Public Safety Standards and Training Field (DPSST) Training Manual.
2.2.5. FTOs will critique the Recruit’s daily activities. The Recruit’s regularly assigned FTO will use FTEP Standardized Evaluation Guidelines to complete a Weekly Evaluation prior to the week’s end to reflect performance for each day. The FTO will discuss the evaluation with the Recruit and both the FTO and the Recruit will sign the evaluation.
2.2.6. If, due to technical issues, the FTO is unable to complete a Weekly Evaluation electronically, they shall send an original typed or handwritten document directly to Training.

2.2.6.1. The FTO shall forward a copy of all Weekly Evaluations to the FTEP Coordinator.
2.2.7. In the unusual circumstance in which a Recruit is assigned to work with a member who is not a certified FTO (e.g., if the assigned FTO is on leave), the sergeant shall ensure the Recruit is placed with a suitable non-FTO member.
2.2.8. A non-FTO member shall not be assigned a Recruit if the non-FTO member has been subject to disciplinary action as described in Section 1.3.1.1.

2.2.9. The non-FTO member shall not be required to complete a Weekly Evaluation. Instead, that member shall write an inter-office memorandum to the FTEP Coordinator, detailing their activities and the Recruit’s performance during the period the Recruit was assigned. These memoranda shall not cover periods longer than one week.

2.2.9.1. The assigned non-FTO member shall review the content of their memorandum with the Recruit, who shall, in turn, acknowledge the review with their signature.

2.2.9.2. The assigned non-FTO member shall then send the memorandum directly to the Training Captain or designee and forward a copy to the FTEP Coordinator and the assigned FTO.

2.3. Phase V.

2.3.1. Recruits who have successfully completed all previous training phases and consistently met the acceptable performance standards, as defined in FTEP Standardized Evaluation Guidelines, shall advance to Phase V training status.

2.3.2. Phase V continues until completion of the probationary period, unless the Recruit’s performance reflects serious deficiencies, in which case the Training Division Captain or designee shall review the Recruit’s performance to determine an appropriate course of action.

2.3.3. During this final phase of field training, an FTO shall be assigned to closely monitor the Recruit’s performance; however, Recruits are permitted to work independent of direct supervision. Using FTEP Standardized Evaluation Guidelines, the FTO shall complete a Bi-Weekly Phase V Evaluation Form electronically to document the Recruit’s performance.

2.3.3.1. The FTO shall discuss the evaluation with the Recruit, who shall, in turn, acknowledge the review with their signature.

2.3.4. An FTO may only be assigned to monitor the performance of a maximum of two Phase V Recruits at a time.

2.3.5. As staffing permits, the Bureau shall assign Recruits to a district in reasonable proximity to the FTOs district to facilitate the mentoring and monitoring of the Recruit(s).

2.3.6. An FTO who is assigned to mentor a Phase V Recruit shall not be assigned a Recruit participating in another Training Phase.

2.4. Recruit Training Sergeant (Precinct) Responsibilities.

2.4.1. Maintain a thorough understanding of the policies and procedures contained in this directive.

2.4.2. Facilitate the assignment of Recruits to FTOs.

2.4.2.1. Recruits shall be assigned the same shift and/or days off as their FTOs.

2.4.3. Ensure that weekly Evaluations for Phases I-IV Recruits are completed and submitted to the FTEP Coordinator.

2.4.4. Ensure that Bi-Weekly evaluations for Phase V Recruit Officers are completed and submitted to the FTEP Coordinator.
2.4.5. Notify the Training Division in writing of any performance deficiencies with either Recruits or FTOs, and work with the Training Division to address the deficiencies.
2.4.6. Notify the FTEP Sergeant in writing of any personnel changes for the position of Recruit Training Sergeant or Scheduling Sergeant at the Responsibility Unit (RU).

3. Program Advancement.
3.1. Prior to the completion of each training phase, the Recruit’s assigned FTO shall complete an End of Phase Evaluation Form, including the FTO’s recommendation for advancement to the next training phase, or retention in the current training phase. After the FTO discusses the evaluation with the Recruit, both members will sign the form.
3.1.1. The FTO shall forward a copy of the form to the FTEP Coordinator.

3.2. For Training Phases I-IV, the FTEP Sergeant and FTEP Coordinator must review and approve the evaluation prior to the Recruit’s advancement to the next training phase.
3.2.1. If the reviews are in conflict, the FTEP Director shall determine whether to advance the Recruit to the next phase.

3.3. No recruit shall be considered for advancement to Phase IV until the Recruit has successfully completed the Bureau’s Advanced Academy.

3.4. Prior to advancement to Phase V, the FTEP Director, FTEP Sergeant, and FTEP Coordinator shall review the evaluation for approval.
3.4.1. The FTEP Coordinator shall provide written notification of the Recruit’s advancement to both the Recruit and their RU Manager.
3.4.2. Recruits are prohibited from working independently prior to this notification.

3.5. No Recruit shall be considered for advancement to Phase V until the Recruit has completed both the mandatory five-week observation period in Phase IV and the DPSST Field Training Manual.

4. FTO Notification.
4.1. FTOs shall be responsible for notifying the FTEP Coordinator when:
4.1.1. Their Recruit has been involved in a significant incident (e.g., collision, pursuit, serious use of force, etc.).
4.1.2. Their Recruit is absent for more than one week.
4.1.3. Their Recruit is not meeting training timelines.
4.1.4. The FTO changes precincts, shifts, or days off.
4.1.5. The FTO has an approved leave (e.g., vacation, FMLA, military leave, etc.) of more than one (1) week.
4.1.6. The FTO receives notification that they are the subject of an Internal Affairs Investigation.
4.1.7. The FTO has been promoted or transferred from a uniform patrol assignment.

5. Field Training Conferences.
5.1. The FTEP Coordinator shall schedule Field Training Conferences upon receipt of each End of Phase Evaluation. Additional Field Training Conferences will be scheduled as needed to evaluate and discuss the Recruit’s performance.
5.2. The FTO should be prepared to discuss their Recruit’s field training performance and to provide recommendations for future training.

6.1. The FTEP Coordinator shall draft a performance summary if the Training Division has determined that a Recruit does not meet standard performance requirements.
   6.1.1. The FTEP Coordinator shall submit the summary through channels to the Chief or a designee, who shall then determine a course of action.

7. FTO Evaluation Forms.
7.1. Recruits shall evaluate their assigned FTO using the FTO Evaluation Form. Recruits shall complete and forward the form directly to the FTEP Coordinator within two weeks of completing their assignment with an FTO.
   7.1.1. Recruits shall not advance to Training Phase V until all FTO evaluation forms are completed and properly submitted.

7.2. The Training Division shall maintain the FTO evaluations.

7.3. To maintain and enhance the quality of the FTO program, the FTEP Sergeant or designee shall review the evaluation with the FTOs to give training feedback. Their use is not intended to be disciplinary in nature and will not have disciplinary consequences.

8. DPSST Requirement.
8.1. Recruits not currently certified by DPSST will attend and graduate from the DPSST Basic Police Academy prior to their assignment to uniform patrol, unless DPSST grants a waiver of the Basic Police Academy.

8.2. Recruits currently certified by DPSST, or those members granted a waiver of the DPSST Basic Police Academy, will be given an orientation to Bureau procedures as determined by the Training Division prior to their assignment to uniform patrol.

8.3. Recruits must satisfy their DPSST Certification Requirements prior to the end of their probationary period.

Q1 Please provide feedback for this directive

The policy states: "The Bureau is committed to appropriately training its Recruits to guarantee professional service delivery, while also engaging and serving the needs of the community." This seems like a strange way to state this, bringing up the question of why the bureau would separate and distinguish between "professional service delivery" and "serving the needs of the community" given that it would be assumed that police delivering good professional services ARE serving the needs of the community. It is recommended that the line in question be replaced with: "The Bureau is committed to training Recruits to serve the needs of the community through the broad range of engagement that professional law enforcement personnel can provide."

***

It is noted in Procedure 1.2.1 that a recruit shall complete field training assignments in at least two precincts during the course of their field training. It is felt that this should be modified to require as well field training assignments in at least two different shifts.

***

It is noted in Procedure 2.2.3 that FTO's shall not be assigned to the same recruit for more than two consecutive training sessions. While this does guarantee that recruits receive instruction from at least two FTO's; helping to ensure the presentation of a wider knowledge base to the recruit and allowing multiple FTO's to evaluate and report on a recruit's progress and readiness; it is felt that this can be taken a step further. Rather than requiring that no FTO be assigned to the same recruit for more than two consecutive training sessions, it should instead be required that each recruit be overseen by a minimum of at least 3 different FTO's over the course of their field training. Presenting a wider base of knowledge and requiring a larger number of FTO's to evaluate a recruit can do nothing but help the recruit and the bureau.

To Chief Outlaw, Capt. Bell, Lieutenant Morgan, PPB Policy Analysts, Compliance Officer/Community Liaison Team, Portland Committee on Community Engaged Policing, US Dept. of Justice, Independent Police Review, Citizen Review Committee and the Portland Police Bureau:

Due to an overwhelming number of police accountability related issues and our limited previous concerns about Directive 1501.00 on Field Training, we are sending this single, short comment in, repeating what we wrote in June 2017. This does not mean we are comfortable with the timelines of the Directives review process, how the Directives are labeled, or even the rest of Directive 1501.00. Among the issues distracting our attention: this morning's officer-involved shooting, which marks the eighth PPB deadly force incident in the last seven months, and the 13th deadly force incident in Oregon in 2019's first 17 weeks.

Here is the comment on the Directive:

--While it is understandable to want to de-centralize the Bureau's training, the recruits are being evaluated by the Field Training Officer, and then those evaluations are reviewed by Field Training supervisors: the Director, Sergeant and Coordinator. However, it does not seem that any of these supervisors ever act to directly evaluate the recruit's performance, comprehension of policies, interactions with the public, or other tell-tale behaviors. Thus if a Field Training Officer is teaching the trainee to "cut corners," that will not show up in the evaluation before the Trainee becomes a full-fledged officer. We encourage multiple first-hand evaluations to ensure consistency.

We expect to have more detailed comments on the Directives up for review with a due date of May 15.

Directive 1501.00:

There are several spots in this policy that refer to “member” or “members.” These sections should be tightened up to read sworn member, officer, sergeant, etc. as appropriate, so that we do not inadvertently include professional staff.

4.1.2: Should this be tightened up to clarify whether the intent is a work-week or calendar week?
