***About the Training Advisory Council:***

*The TAC was created in 2012 as a police bureau advisory body by city resolution 36912. The TAC is a citizen's group with the mission of providing ongoing advice to the Chief of Police and the bureau's Training Division in order to continuously improve training standards, practices, and outcomes through the examination of training philosophy, content, delivery, tactics, policy, equipment, and facilities. The TAC is also tasked by Section 86 of the DOJ settlement agreement with the City of Portland to identify and report to the Chief of Police any patterns in the bureau's use of force.*
