### INSTRUCTIONS FOR INDIVIDUAL RETURN - 2009

*Note: Please enter your business code below your FEIN. You may find this code in Section B of your Schedule C. (Residential lessors limited to Schedule E and D enter a business code of 53111. Commercial lessors enter a business code of 53112.)*

1. Net Income is income after deductions for business expenses. Enter the sum of net income amounts from the federal 1040 Schedule C line 31 or Schedule C-EZ line 3.
2. Add back Multnomah County and City of Portland business income/license tax and other taxes measured by net income deducted to arrive at net income (line 1).
3. Enter the total income or (loss) from federal Schedule E line 26 (rental and royalty income). Gain and losses from sales of business assets (Schedule D), interest earned on installment contracts (Schedule B), and miscellaneous business incomes (from non-compete contracts, director fees, etc.) should also be included on this line.
4. Adjust for the following business expenses: Subtract ½ self-employment tax, qualified retirement plan payments and health care premium deductions (Form 1040 lines 27, 28 and 29) and add (or subtract) any Oregon modifications directly related to business activities.
6. A deduction of up to 75% of the total income (line 5) is allowed but cannot exceed \$84,000 per owner. You may have two owners if both husband and wife materially participate in the business or if they jointly own rental property. No deduction is allowed if line 5 is a loss.

**Apportionment** (line 8 and line 18) **Multiple factor apportionment methods are not allowed.**

Gross income includes all income (gross receipts, service income, interest, dividends, income from contractual agreements, gross rents and gains on sale of business property) from activity within the City or County. With few exceptions, income in the City is also in Multnomah County. Income may be apportioned only if there is regular business activity outside the City/County. Services performed outside the City/County may be apportioned based upon percentage of performance outside the applicable jurisdiction. Sales of tangible personal property may be apportioned only if a business has payroll or property outside the jurisdiction.

### MULTNOMAH COUNTY BUSINESS INCOME TAX

**Multnomah Employees:** Enter average sum of full-time and part-time employees working in Multnomah County during tax year (including owner).

8. County gross income includes income from all activity within the County (see apportionment instructions above). Enter the gross income within the County as the numerator of the fraction and gross income everywhere as the denominator of the fraction. Divide to determine the percentage of Subject Net Income to apportion to Multnomah County. Round apportionment percentages to six places (xx.xxxx% or .xxxxxx).
10. Net Operating Losses (as previously reported on line 9 of prior combined returns) are allowed a maximum carryforward of five (5) years. The annual deduction cannot exceed 75% of the apportioned income for the current year.
13. Enter all prepayments (quarterly, extension payments and credit carried forward from prior years).
14. Enter all late and/or underpayment penalties that apply (see penalty calculation instructions below).
15. Interest on taxes not paid by the original due date (April 15 for calendar year taxpayers) is calculated at 10% per annum (.00833 x no. of months). Calculate interest from original due date to the 15th day of the month following the date of payment.
16. Total lines 12, 13, 14 and 15 to determine balance due or (overpayment) for Multnomah County Business Income Tax.
17. Overpayments may be refunded, credited forward or transferred between programs.

**Penalty calculation** (line 14 and line 24)

A penalty of 10% (5% late penalty plus 5% underpayment penalty) of the tax must be added if the report and tax are filed and paid past the due date. An additional penalty of 20% of the tax must be added if the report and tax is more than four months past due. Any report and tax which is delinquent three or more consecutive years accrues an additional 100% of the tax as penalty. No late penalty is due if a timely extension is filed with the Bureau and a return is filed by the extended due date. No underpayment penalty is due if a timely prepayment is made which is at least 90% of the total tax on line 12 (County) and at least 90% of the tax on line 22 (City), or 100% of the prior year's tax.
