Apportionment (line 8 and line 18) **Multiple factor apportionment methods are not allowed.**

Gross income includes all income (gross receipts, service income, interest, dividends, income from contractual agreements, gross rents and gains on sale of business property) from activity within the City or County. With few exceptions, income in the City is also in Multnomah County. Income may be apportioned only if there is regular business activity outside the City/County. Sales of tangible personal property may be apportioned only if a business has payroll or property outside the jurisdiction.

A penalty of 10% (5% late penalty plus 5% underpayment penalty) of the tax must be added if the report and tax are filed and paid past the due date. An additional penalty of 20% of the tax must be added if the report and tax is more than four months past due. Any report and tax which is delinquent three or more consecutive years accrues an additional 100% of the tax as penalty. No late penalty is due if a timely extension is filed with the Bureau and a return is filed by the extended due date. No underpayment penalty is due if a timely prepayment is made which is at least 90% of the total tax on line 12 (County) and at least 90% of the tax on line 22 (City), or 100% of the prior year's tax.
