INSTRUCTIONS FOR PARTNERSHIP, LP, LLC, LLP, JOINT VENTURE OR TENANTS IN COMMON/ENTIRETY RETURN - 2005

Note: Please enter your business code below your FEIN. You may find this code in Section C of page 1 of federal form 1065.

1. Ordinary income is income before distribution to partners, on federal form 1065, line 22. If a joint venture or tenants in common elect to not file as partnership, please combine individual net incomes from the joint venture or rental activities on line 1.
2. Add back Multnomah County business income taxes, and other income taxes, deducted to arrive at net income (line 1).
3. Add (subtract) Schedule K lines 2-3 and 5-13. Also add (subtract) any Oregon modifications related to business and other pass-through income (loss) by entities already licensed/taxed by Portland/Multnomah County.
4. Add all compensation (guaranteed payments, interest, wages and salary) paid to partners. Enter number of general partners and limited partners paid compensation and/or interest. **Members of LLCs shall be deemed general or limited partners by Bureau written policy (available by contacting the Audit Section of the Revenue Bureau).**
6. A deduction of up to 75% of the total income (line 5) is allowed but cannot exceed \$60,000 per partner listed on line 4. General partners who are owners of capital in a limited partnership are allowed this deduction regardless of direct compensation paid. However, deductions for limited partners cannot exceed limited partner compensation included on line 4. No deduction is allowed if line 5 is a loss.

Apportionment (line 8 and line 18) **Multiple factor apportionment methods are not allowed.**

Gross income includes all income (gross receipts, service income, interest, dividends, income from contractual agreements, gross rentals and gains on sale of business property) from activity within the City or County. With few exceptions, income in the City is also in Multnomah County. Income may be apportioned only if there is regular business activity outside the City/County. Services performed outside the City/County may be apportioned based upon cost of performance outside the applicable jurisdiction. Sales of tangible personal property may be apportioned only if a business has payroll or property outside the jurisdiction.

MULTNOMAH COUNTY BUSINESS INCOME TAX

8. County gross income includes income from all activity within the County (see apportionment instructions above). Enter the gross income within the County as the numerator of the fraction and gross income everywhere as the denominator of the fraction. Divide to determine the percentage of Subject Net Income to apportion to Multnomah County. Round apportionment percentages to six places (xx.xxxx% or .xxxxxx).
10. Net Operating Losses (as previously reported on line 9 of prior Combined Report Forms) are allowed a maximum carryforward of five (5) years. The annual deduction cannot exceed 75% of the apportioned income for the current year.
13. Enter all prepayments (quarterly, extension payments and credit carried forward from prior years).
14. Enter all late and/or underpayment penalties that apply (see penalty calculation instructions below).
15. Interest on taxes not paid by the original due date (April 17 for calendar year taxpayers) is calculated at 10% per annum (.00833 x no. of months). Calculate interest from original due date to the 15th day of the month following the date of payment.
16. Total lines 12, 13, 14 and 15 to determine balance due or (overpayment) for Multnomah County Business Income Tax.
17. Identify overpayment for refund. Overpayments may offset underpayments between programs. Overpayments may also be credited forward.

Penalty calculation (line 14 and line 24)

A delinquent penalty of 5% of the fee/tax must be added if the report and fee/tax are filed past the due date. An additional penalty of 20% of the fee/tax must be added if the report and fee/tax is 4 months or more past due. Any report and fee/tax, which is delinquent three or more consecutive years, accrues an additional 100% of the fee/tax as penalty. Underpayment penalties may also be due. No underpayment penalties are due if a timely prepayment is made which is at least 90% of the total tax due on line 12 (County) and at least 90% of the fee due on line 22 (City), or 100% of the prior year's tax or fee.
