INSTRUCTIONS FOR CORPORATION RETURN - 2004

Note: Please enter your business code below your FEIN. This code is on line 2a of Schedule K from page 3 of federal form 1120.

1. Net Income is income reported to the State of Oregon before allocations and apportionment. Enter the figure from line 13 of the Oregon Form 20 (Excise Tax) or line 15 of the Oregon Form 20-I (Income Tax).
2. Add back Multnomah County business income taxes, and other income taxes, deducted to arrive at net income (line 1).
3. Add any compensation paid to controlling shareholders (individuals or families who together hold more than 5% of the stock). This includes wages, commissions, salaries (current and deferred), and interest. Enter the number of controlling shareholders.
4. Other additions or subtractions to net income may include partnership pass-throughs from partnerships already licensed by Portland or taxed by Multnomah County. A subtraction is allowed FOR COUNTY PURPOSES ONLY for Federal obligation interest taxed in Oregon. A schedule must be attached.
6. A deduction for compensation is allowed but cannot exceed the lesser of compensation paid (line 3), 75% of income (line 5), or \$57,500 per controlling shareholder. No deduction is allowed if line 5 is a loss.

Apportionment (line 8 and line 18) **Multiple factor apportionment methods are not allowed.**

Gross income includes all income (gross receipts, service income, interest, dividends, income from contractual agreements, gross rentals and gains on sale of business property) from activity within the City or County. With few exceptions, income in the City is also in Multnomah County. Income may be apportioned only if there is regular business activity outside the City/County. Services performed outside the City/County may be apportioned based upon cost of performance outside the applicable jurisdiction. Sales of tangible personal property may be apportioned only if a business has payroll or property outside the jurisdiction.

MULTNOMAH COUNTY BUSINESS INCOME TAX

8. County gross income includes income from all activity within the County (see apportionment instructions above). Enter the gross income within the County as the numerator of the fraction and gross income everywhere as the denominator of the fraction. Divide to determine the percentage of Subject Net Income to apportion to Multnomah County. Round apportionment percentages to six places (xx.xxxx% or .xxxxxx).
10. Net Operating Losses (as previously reported on line 9 of prior Combined Report Forms) are allowed a maximum carryforward of five (5) years. The annual deduction cannot exceed 75% of the apportioned income for the current year.
13. Enter all prepayments (quarterly, extension payments and credit carried forward from prior years).
14. Enter all late and/or underpayment penalties that apply (see penalty calculation instructions below).
15. Interest on taxes not paid by the original due date (April 15 for calendar year taxpayers) is calculated at 10% per annum (.00833 x no. of months). Calculate interest from original due date to the 15th day of the month following the date of payment.
16. Total lines 12, 13, 14 and 15 to determine balance due or (overpayment) for Multnomah County Business Income Tax.
17. Identify overpayment for refund. Overpayments may offset underpayments between programs. Overpayments may also be credited forward.

Penalty calculation (line 14 and line 24)

A delinquent penalty of 5% of the tax/fee is due if the report and tax/fee are filed or paid past the due date. An additional penalty of 20% of the tax/fee must be added if the report and tax/fee is 4 months or more past due. Any report and tax/fee, which is delinquent three or more consecutive years, accrues an additional 100% of the tax/fee as penalty. Underpayment penalties may also be due. No underpayment penalties are due if a timely prepayment is made which is at least 90% of the total tax due on line 12 (County) and at least 90% of the sum of the fees due on line 22 and 22b (City), or 100% of the prior year's tax and fee.

CITY OF PORTLAND BUSINESS LICENSE FEE

18. Portland gross income includes income from all activity within Portland (see apportionment instructions above). 20. Net Operating Losses (as previously reported on line 19 of prior Combined Report Forms) are allowed a maximum carryforward of five (5) years. The annual deduction cannot exceed 75% of the apportioned net income for the current year.

Enter the fee as calculated on line 22, minimum \$100.
