INSTRUCTIONS FOR SOLE PROPRIETORSHIP OR 1 MEMBER LLC RETURN - 2003

Note: Please enter your business code below your FEIN. You may find this code in Section B of your Schedule C. (Residential lessors limited to Schedule E and D enter a business code of 53111. Commercial lessors enter a business code of 53112.)

1. Net Income is income after deductions for business expenses. Enter the sum of net income amounts from the federal 1040 Schedule C line 31 or Schedule C-EZ line 3.
2. Add back Multnomah County business income taxes, and other income taxes, deducted to arrive at net income.
3. Enter the total income or (loss) from federal Schedule E line 26 (rental and royalty income). Gain and losses from sales of business assets (Schedule D), interest earned on installment contracts (Schedule B), and miscellaneous business incomes (from non-compete contracts, director fees, etc.) should also be included on this line.
4. Adjust for the following business expenses: Subtract $\frac{1}{2}$ self-employment tax, qualified retirement plan payments and health care premium deductions (Form 1040 lines 28, 29 and 30) and add (or subtract) any Oregon modifications directly related to business activities.
6. A deduction of up to 75% of the total income (line 5) is allowed but cannot exceed \$56,000 per owner. You may have two owners if both husband and wife materially participate in the business or if they jointly own rental property. No deduction is allowed if line 5 is a loss.

Apportionment (line 8 and line 18) **Multiple factor apportionment methods are not allowed.**

Gross income includes all income (gross receipts, service income, interest, dividends, income from contractual agreements, gross rentals and gains on sale of business property) from activity within the City or County. With few exceptions, income in the City is also in Multnomah County. Income may be apportioned only if there is regular business activity outside the City/County. Services performed outside the City/County may be apportioned based upon cost of performance outside the applicable jurisdiction. Sales of tangible personal property may be apportioned only if a business has payroll or property outside the jurisdiction. Round apportionment percentages to six places (xx.xxxx% or .xxxxxx).

MULTNOMAH COUNTY BUSINESS INCOME TAX

8. County gross receipts include income from all activity within the County (see apportionment instructions above). Enter the total gross receipts within the County as the numerator of the fraction and total gross receipts everywhere as the denominator of the fraction. Divide to determine the percentage of Subject Net Income to apportion to Multnomah County.
10. Net Operating Losses (as previously reported on line 9 of prior Combined Report Forms) are allowed a maximum carryforward of five (5) years. The annual deduction cannot exceed 75% of the apportioned income for the current year.
13. Enter all prepayments (quarterly, extension payments and credit carried forward from prior years).
14. Enter all late and/or underpayment penalties that apply (see penalty calculation instructions below).
15. Interest on taxes not paid by the original due date (April 15 for calendar year taxpayers) is calculated at 10% per annum (.00833 x no. of months). Calculate interest from original due date to the 15th day of the month following the date of payment.
16. Total lines 12 through 15 to determine balance due or (overpayment) for Multnomah County Business Income Tax.
17. Identify overpayment for refund. Overpayments may offset underpayments between programs. Overpayments may not be credited forward.

Penalty calculation (line 14 and line 24)

A delinquent penalty of 5% of the fee/tax must be added if the report and fee/tax are filed past the due date. An additional penalty of 20% of the fee/tax must be added if the report and fee/tax is 4 months or more past due. Any report and fee/tax, which is delinquent three or more consecutive years, accrues an additional 100% of the fee/tax as penalty. Underpayment penalties may also be due, however, no underpayment penalties are due if a timely prepayment is made which is 90% of the total fee/tax due (City minimum of \$100), or 100% of the prior year's fee/tax.

CITY OF PORTLAND BUSINESS LICENSE FEE
