The proposed rule would require that “Any new construction or substantial rehabilitation, as defined by [24 CFR 5.100](#), of a building with more than four rental units must include installation of broadband infrastructure...” The proposed rule would apply to no less than the following 10 different federal programs that provide for multi-family rental housing, including:

- Choice Neighborhoods Implementation Grant
- Community Development Block Grant
- Continuum of Care
- HOME Investment Partnerships
- Housing Opportunities for Persons With AIDS
- Housing Trust Fund
- Project-Based Voucher
- Public Housing Capital Fund
- Section 8
- Supportive Housing for the Elderly and Persons with Disabilities programs
