RESIDENTIAL RENTAL REGISTRATION (SCHEDULE R)

City of Portland Business Income Tax

Residential Rental Registration Program

According to Portland City Code 7.02.890, all owners of residential rental property in the City are required to annually provide a schedule that includes the address of all owned residential rental units within the City. For purposes of this form, “residential rental unit” means any residential property rented or offered for rent for a period of more than 30 consecutive days. Short-term rentals, such as hotels, are not required to complete this form. If a property contains more than one residential living quarter, the term “residential rental unit” refers to each separate living quarter.

You will need to complete this form if your business (including subsidiaries) or tax-exempt entity owns any residential rental property within the city boundaries of Portland. (Please note that “Portland” is often assigned by the USPS to addresses that are in unincorporated areas outside the city boundaries of Portland.) To determine whether a property is within Portland, go to www.portlandmaps.com and enter the address in the search field. If “Portland” is listed as a “Jurisdiction”, the property should be included in the list on the front page.

Instructions

All residential rental units owned at any point during the tax year must be reported.

Consecutive unit numbers/letters for the same property can be separated with a hyphen, and non-consecutive unit numbers/letters for the same property can be separated with a comma.

If any residential rental units are sold or disposed during the tax year, please indicate by checking the “Check If Sold/Disposed” box.

NOTE: If there are units/locations that are considered to be affordable housing units by HUD, these units are not subject to the fee but must still file a Schedule R. The Portland Housing Bureau will provide the Revenue Division with a list of the units/locations that meet this criteria.

Penalties

For tax years beginning on or after January 1, 2019, the penalty provisions of PCC 7.02.700 apply to the annual registration and fee requirements of this program. Failure to register residential rental units may result in civil penalties per unit.
