PART 1.0 SCOPE OF RULES

Administrative Rules contained within this document are intended to articulate the standards and expectations for Residential Solid Waste, Recyclables and Compostables Collection as authorized in the City Code, Chapter 17.102 and as defined in the Residential Franchise authorized by City Charter under City Ordinance No. 176687,18166 and subsequent amending ordinances.

PART 2.0 ADOPTION AND REVISION OF ADMINISTRATIVE RULES

- A. Director's Authority to Adopt Rules. Under authority of the City Code, Chapter 17.102, the Director of the Bureau of Planning and Sustainability [hereinafter Director] is authorized to adopt rules, procedures and forms to implement provisions of that Chapter, which regulate the Collection and Disposal of Residential and Commercial Solid Waste, Recycling and Compostables in the City of Portland.
- B. Adoption and Revision of Rules.
 - 1. Any rule adopted or revised according to the authority of the City Code shall require a public review process. Not less than ten nor more than thirty days before such public review process, notice shall be given by publication in a newspaper of general local circulation. Such notice shall include the place, time and purpose of the public review process and the location at which copies of the full set of the proposed rules may be obtained.
 - 2. The Bureau of Planning and Sustainability (BPS) shall give notice of the public review process to all neighborhood and Business associations that are recognized by the City Office of Community and Civic Life. At least 60 days in advance of the anticipated adoption date, BPS shall notify those associations by regular mail, or electronic mail of its intent to review the rules and invite those associations to comment. BPS shall by regular mail, or electronic mail send a notice of the initial public hearing to the same associations not less than ten days before the scheduled hearing.
 - 3. During the public review, the Director or the Director's designee shall hear testimony or receive written comment concerning the proposed rules. The Director shall review the recommendations; taking into consideration the comments received during the public review process, and shall either adopt the proposal, modify or reject it.
 - 4. If a substantial modification is made, additional public review shall be conducted, but no additional notice shall be required if such additional review is announced at the meeting at which the modification is made. Unless otherwise stated, all rules shall be effective upon adoption by the Director and shall be filed in the Office of the Director.
 - 5. Notwithstanding paragraphs a. and b. and c. of this section, an interim rule may be adopted by the Director without prior notice upon a finding that failure to act promptly will result in serious prejudice to the public interest or the interest of the affected parties, including the specific reasons for such prejudice. Any rule adopted pursuant to this paragraph shall be effective for a period of not longer than one year (365 days). Within five Business Days of the adoption of such interim rule, BPS staff shall send notice of the rule to all Neighborhood Associations, Persons on the BPS list of parties interested in Residential Administrative Rules, and Franchisees, giving the language of the rule change, describing the purpose of the rule, and inviting comments to be sent to BPS.

The 24-hour deadline does not apply where the missed Collection occurred due to late or improper set out by the Customer. Each such Customer failure must be documented by the Franchisee through a verifiable means such as the maintenance of a logbook for setouts, and in the case of improper set out, by leaving a BPS provided notice. The BPS provided notice shall contain the Franchisee name and phone number. In such cases of documented Customer failure, the Customer reporting the miss shall be offered the option of having a courtesy call back pickup at a rate established by BPS or setting out double the Customer's subscribed Service Level at no additional cost to the Customer on the Customer's next scheduled Collection day. In such a case of documented Customer failure, the Customer reporting the miss shall be asked to set out the material on time on the subsequent scheduled Collection day. (D/I)*

- d. Remedy of Reported Missed Collection of Compostables. The Franchisee shall respond promptly to reports of missed Compostables Collections. In order to receive a remedy for a missed pickup, a Customer must notify the Franchisee by the end of the second Business Day after the date of the missed Collection. A complaint of missed Collection received by the Franchisee from the Customer or BPS shall be remedied by Collecting the Compostables no later than 24 hours (excluding Saturdays, Sundays and Christmas and New Year's holidays) of the Customer's or BPS's report. This 24-hour deadline does not apply where a missed Collection occurs due to late or improper set out by the Customer. Each such Customer failure must be documented, in the case of improper set out, by the Franchisee leaving a BPS provided notice, or, in the case of missing set out, through a verifiable means such as the maintenance of a logbook for setouts. The BPS provided notice must contain the Franchisee's name and phone number. In such documented cases of Customer failure, the Customer reporting the miss shall be offered the option of having a courtesy call back at a rate established by the City or setting out the uncollected material on time on the next scheduled Compostables Collection day without paying an additional charge for an extra can/bag/bundle of Yard Debris. Courtesy call back must occur within 48 hours (excluding Saturdays, Sundays and Christmas and New Year's holidays) of the Customer's or BPS' report. Customers may not deduct from payment for past missed pickups. Failure to properly remedy a missed Collection shall be an Infraction subject to an Assessment. (D/I)*

For Solid Waste only, Customers may request Collection at a location other than Curbside at a rate specified by the City for this non-Curbside service. There will be an "excess distance" additional charge for any Collection beyond 75 feet from the curb. If Collection of containers is made at these units at a place other than the Curbside, each container must be placed in an area where it can be accessed by a continuous paved walkway of at least 36 inches in width, and without going up or down stairs of more than 36 inches total rise or less than 36 inches in width. For cans or roll carts to be considered as one set out of multiple cans or roll carts (rather than a number of single cans or roll carts) they must be placed within 5 feet of each other. Non-Curbside Collection of Solid Waste is provided at a rate specified by the City except as noted below in 12.c. Point of Collection, Disabled Customers.
- b. Duplex, Tri-plex and Four-plex. For duplexes, tri-plexes and four-plexes, Collection of Solid Waste, Recycling and Composting shall be made at the Curbside. However, Collection of Solid Waste shall be made at a point other than Curbside if the Customer has subscribed to this extra service at a rate specified by the City. Collection of all materials shall be made at a point other than Curbside if the Customer has subscribed to this extra level of service at a rate specified by the City. If Collection of containers is made at these units at a place other than the Curbside,

each container must be placed in an area where it can be accessed by a continuous paved walkway of at least 36 inches in width, and without going up or down stairs of more than 36 inches total rise or less than 36 inches in width. For cans or roll carts to be considered as one set out of multiple cans or roll carts (rather than a number of single cans or roll carts) they must be placed within 5 feet of each other. Collection of Solid Waste, recyclables and Compostables is provided at a rate specified by the City except as noted below in 12.c. Point of Collection, Disabled Customers.

Franchisees may require re-confirmation of this status on an annual basis or when there is evidence that the household may no longer qualify. If there is a change of circumstance that changes a Customer's Disabled status, the Customer must notify the hauler of the change. Restrictions to Curbside Collection on streets that do not meet the requirements as noted below in 12.d. or 12.e. of this Administrative Rule apply to Disabled Customers as well. Road conditions such as width, grade and stability will be considered. Haulers are expected to explore all Curbside Collection options before requesting City approval for a set out location other than Curbside on a public street. The identifying information must include the name and mailing address of the security interest holder(s). Franchisees shall provide BPS with this identifying information for any new security interest holder(s) and may provide BPS with this identifying information for any existing security interest holder(s).

BPS shall invoice Franchisees no sooner than 30 days after the end of each Calendar Quarter. Franchisees may, at their discretion, remit payment to BPS prior to invoicing. Should there be a difference between BPS invoice and the amount paid by the Franchisee, the BPS invoice shall determine the final billing amount.

Part 3.4 Residential Compliance and Enforcement

A. VIOLATIONS OF CITY CODE

For the purposes of compliance and enforcement, violations of City Code shall be addressed in the same manner as violations of these rules. Assessments for violations of City Code shall be made in accordance with City Code Chapter 17.102.090.

B. INITIATION OF ENFORCEMENT ACTION

1. Initiation. BPS may initiate an enforcement action based on its own observations or on a complaint. Complaints regarding a Franchisee or Approved Recycler's performance may be accepted from any source in writing, through personal visit, phone call or email. BPS will maintain the confidentiality of complainants to the greatest extent possible. Anonymous complaints will result in an Infraction only if BPS's investigation reveals other evidence that is sufficient as a basis for its decision that an Infraction has occurred.
2. Complaint Referral to Hauler.
 - a. Where the opportunity for the Franchisee or Approved Recycler to remedy a specific problem exists, BPS may request the Complainant contact the Franchisee to resolve the problem, and then contact BPS if the problem is not resolved.
 - b. BPS will take no further action on complaints of this nature until a second contact has been made informing BPS that the Franchisee or Approved Recycler contact was unsuccessful in resolving the problem. At that time the formal complaint investigation procedures outlined below will be followed.

C. NOTICE OF ALLEGED INFRACTION

1. Initial Notice.
 - a. Within 48 hours of an audit, or inspection, revealing an alleged Infraction, BPS will notify the Franchisee or Approved Recycler of the alleged Infraction by phone, or email. Only where an alleged Infraction is based on a complaint, rather than on direct BPS staff observation, will BPS notify the Franchisee or Approved Recycler of the alleged Infraction within 48 hours after receipt of a complaint.
 - b. The notification will describe the nature of the complaint and if a representative of the Franchisee or Approved Recycler is available, BPS will relate further pertinent available details regarding the alleged Infraction. Messages left on telephone recorders or answering services, sent by email will be considered as successful contacts for this purpose.
 - c. Initial Notice for alleged Infractions of reporting deadlines will be treated as described under Part 3.3.
2. Mailed Notice. Excepting alleged Infractions of reporting deadlines, within seven Business Days of the initial notice, BPS will mail, email or send by a "Notice of Alleged Infraction" to the Franchisee or Approved Recycler. The Notice will set out clearly all available details that support the alleged Infraction.
3. Opportunity to Respond. The Franchisee or Approved Recycler, unless otherwise arranged, for reasonable cause, will be given ten Business Days from the date of the mailed Notice to provide BPS with a written explanation of the pertinent events and circumstances relative to the alleged Infraction. This information will be used by BPS to determine if an Infraction has occurred.

D. BPS INVESTIGATION OF ALLEGED INFRACTIONS

BPS shall investigate each alleged Infraction and may contact any known complainant, witness and the Franchisee or Approved Recycler before making its determination.

E. FINDING OF NO INFRACTION

Within 30 calendar days of a BPS determination that no Infraction has actually occurred, BPS shall notify the Franchisee or Approved Recycler in writing of such determination.

F. STANDARD OF EVIDENCE

Occurrence of an alleged Infraction shall be demonstrated by a “Preponderance of the Evidence”.

G. NOTICE OF ASSESSMENT

1. Form and Delivery of Notice. If it is determined that an Infraction has occurred, the BPS Director or the Director’s designee shall deliver a written Notice of Infraction to the Franchisee, specifying the Infraction, the findings that support the Infraction and stating the amount of the Infraction Assessment and deadline for payment. This notice shall also include information on the procedure for requesting a hearing to appeal the determination. Where BPS can demonstrate an attempt to properly deliver the Notice, a refusal by the Franchisee or Franchisee’s representative to receive the Notice in Person, or failure of Franchisee to accept certified mail, shall not constitute a failure by BPS to fulfill the requirement for the delivery of Notice.

a. Courtesy Copy of Notice to Security Interest Holder. BPS shall also mail a courtesy copy of this notice to any Person(s) on record with BPS as holding a security interest in the Franchise. The courtesy copy shall not be construed to imply any rights on the part of the security interest holder(s) to make any claim on the Franchise granted by the City, without express approval of the City Council during the forfeiture process. Where a security interest holder has not been identified to BPS, as required under Reporting section of these Rules, BPS will not assume responsibility for notification.

2. Deadline for Notice of Infraction. BPS must issue the Notice of the Infraction within 30 calendar days of BPS notification of the offender of the occurrence of the alleged Infraction. Infractions associated with records or file keeping which are discovered more than 30 days after their occurrence are exempt from this time limit; notice will, however, occur within 30 days of the discovery by BPS.

3. Accumulation of Infractions. A Notice of Infraction may be issued for each rule and for each day or instance when the Infraction occurs. Each rule is given a notation indicating this category.

More than one Infraction, involving different rules, may be accrued simultaneously.

H. PAYMENT OF INFRACTION ASSESSMENTS

1. Payment of Assessments Required or Appeal. The Franchisee or Approved Recycler shall, within 20 Calendar Days of BPS issuance of the written notice of Infraction, pay to BPS the stated Assessment or request an appeal hearing by a Code Hearings Officer as set forth in Portland City Code Title 22. (D/I)

2. 20-Day Payment Required Upon Failed Appeal. If, pursuant to said appeal hearing, an Infraction Assessment is ordered, payment of said Assessment must be received by BPS or postmarked within 20 Calendar Days after the order becomes final. (D/I)*

3. Interest on Assessment. An Assessment which is not paid within the time provided shall accrue interest at a rate consistent with the City’s established accounting practices.

4. City May Take Legal Action to Collect Assessments. The City may take legal action to Collect Assessments, which are not paid when due.

I. INFRACTION ASSESSMENTS

1. **Infraction Classifications.** Each rule is given an Infraction notation consisting of two letters, such as (A/I).
 - a. **First Letter.** The first letter represents the level of Assessments as show on the chart below.
 - b. **Second Letter.** The second letter reflects the classification of the standard, and whether an Infraction will be on a “Per Day,” “Per Class” or “Per Incident” basis (see Definitions). For example, an (A/I) designation for the standard relating to Disposal Prohibition means that a \$500 Assessment would be applied for the first single “Incident” of disposing of properly prepared Recyclables within a 365-day period.
2. **Infraction Assessment Schedule.** An Infraction according to these Rules shall result in an Infraction Assessment in accordance with the following schedule:

Category	First Infraction	Second Infraction	Third and Subsequent Infractions
A	\$500	\$1000	\$1500
B	\$400	\$800	\$1200
C	\$300	\$600	\$900
D	\$200	\$400	\$600

3. **Excess Assessments Cause for Franchise Or Approved Recycler Status Termination.**
 Accumulation by a Franchisee or Approved Recycler of Infraction Assessments totaling more than \$1500 per 1000 Residential Customers within a 365-day period shall be cause for termination of the Franchise or Approved Recycler status.
 Franchisees or Approved Recyclers with fewer than 1000 accounts will be allowed \$1,500 in Assessments. Assessments will be pro-rated for units of Customers greater than 1000 (e.g., for a Franchisee with a Customer count of 1700, the threshold of total Assessments within a 365-day period will be \$2,550, i.e., \$1,500 X 1.700 = \$2,550).
4. **Process for Alleged Franchise Termination.** Where it is possible that one additional Infraction will cause a Franchisee to reach the threshold for Immediate Forfeiture of a Franchise, BPS may require the Franchisee to meet with BPS staff to discuss a plan for compliance.
 Where BPS received information indicating that a Franchisee has apparently committed an Infraction with an Assessment level that would exceed the threshold for Immediate Forfeiture, BPS may require the Franchisee to meet with BPS staff to formulate a plan for compliance. The compliance plan shall substantially address the nature and pattern of the Franchisee’s history of Infractions and Customer complaints. If BPS and Franchisee agree to a compliance plan, BPS may suspend enforcement action on the pending Infraction. If the Franchisee does not agree to a plan and abide by the terms and timeline of the plan, as stated by BPS, BPS shall pursue enforcement of the Infraction and subsequent Immediate Forfeiture.
5. **Effect of Sale or Transfer of Franchise on Accumulated Infractions and Assessments.**
 Where the seller or transferor of a Franchise retains a substantial interest in the Franchise, all accumulated Infractions and Assessments will be carried over to the record of the buyer or transferee.
 A seller or transferor retains a substantial interest in the Franchise if they:
 - a. Retain a management position in the business sold or transferred, or
 - b. Retain a Financial Interest, other than a security interest, in the business sold or

transferred.

For the purpose of calculating accumulated Infraction Assessments within a 365-day period, any carried-over Assessments will retain their original dates.

6. **Subsequent Violations of the Same Standard.** The incremental increases in Infraction Assessments shall apply to subsequent violations of the same standard. The amount of the Assessment for an Infraction will be determined by totaling the number of Infractions of the same standard that have occurred within the 365 days preceding the date of the occurrence of the Infraction.
7. **Hearing In the Event of Forfeiture or Suspension.** A Franchise may be subject to immediate forfeiture, conditional forfeiture, or suspension under the terms of the Franchise Agreement. A hearing pursuant to City Code Title 17 will be provided within 10 calendar days of any suspension or forfeiture.
8. **Right of Appeal.** Upon receipt of a notice of a civil penalty for any Infraction of provisions of Section 17.102.230 or these Administrative Rules of the City of Portland promulgated there under, Persons subject to this Chapter may appeal the Assessment to the Code Hearings Office in accordance with the procedures set out in Chapter 22 of the Portland City Code.

J. DELIVERY OF NOTICES

Any notice provided for under these Rules shall be sufficient if in writing and accomplished by any of the following means: (1) delivered personally to the entity being notified; (2) deposited in the United States Mail, first class, postage prepaid; (3) sent by commercial courier; or (4) sent by email. Any such notice, communication or delivery shall be deemed effective and delivered upon the earliest to occur of either (1) actual personal delivery to the entity's office address, during normal business hours; (2) three (3) Business Days after depositing in the United States Mail as aforesaid; (3) one (1) Business Day after shipment by commercial courier as aforesaid; or (5) the same day as email transmission (or the first Business Day thereafter if emailed on a Saturday, Sunday or legal holiday).

Part 3.5 Forfeitures

Note: The Comment Section shown in italics gives intent or explanation of the Rule and is not adopted as an actual part of the Rules.

A. IMMEDIATE FORFEITURE

Comment:

According to the Franchise Agreement, forfeiture may be either Immediate or Conditional. Section A deals with Immediate Forfeiture; Section B with Conditional.

Immediate Forfeiture occurs in only the two specific situations listed here under 1.a. and 1.b. Where either situation occurs, the Bureau of Planning and Sustainability presents the information to the City Council, who may declare Immediate Forfeiture. Once Council has made this declaration, the Franchisee retains no rights to the Franchise.

The following procedures provide for notification of the affected Franchisee, including obligations of the Franchisee, and for appointment of another company to provide service to the affected Customers.

1. According to the terms of the Franchise Agreement adopted by the City Council and signed by each Franchisee, the City Council may declare an Immediate Forfeiture of a Franchise, and all of the Franchisee's rights arising there under, in the event that:
 - a. The Franchisee accrues Assessments in excess of the allowable limit for failure to comply with [these Rules]; or
 - b. The Franchisee is found by a court of competent jurisdiction to have practiced any fraud or deceit upon the City.
2. Notice of Immediate Forfeiture. If BPS determines that a Franchise is subject to Immediate Forfeiture, BPS shall notify both the Franchisee and the City Council of the determination. BPS shall mail written notice of this determination to the Franchisee's office address as last provided to BPS. Within 24 hours of the mailing of the notice, BPS shall also personally deliver a copy of the written notice to that office address.

BPS shall also mail a courtesy copy of the Notice of Immediate Forfeiture to anyone holding a security interest in the Franchise, providing that such holder has previously been identified as such to BPS in writing, including a mailing address. This mailing shall take place on the same day as the mailing to the Franchisee. Where a security interest holder has not been identified to BPS, as required under the Reporting section of these Rules, BPS has no obligation for notification.
3. If a security interest holder has been listed on the Qualified List as provided under these Rules, then that security interest holder has 48 hours in which to give BPS adequate assurance that it can and will provide continuous service. If BPS is satisfied with the assurance, BPS staff shall make a recommendation to the City Council that the Franchise be transferred to the security interest holder. The Council has the final authority to review and act on this recommendation.
4. Replacement Franchisee. The City shall, as outlined elsewhere in these Rules, take steps to select a Replacement Franchisee or Temporary Service Provider.
5. BPS Recommendation to City Council. BPS shall prepare findings and a recommendation for the City Council concerning the Immediate Forfeiture of the Franchise rights. BPS shall also provide to the Council the name of the Replacement Franchisee or Temporary Service Provider selected by BPS, including any selection made through a lottery. The findings and recommendation shall be in the form of ordinances submitted to the City Council.
6. City Council Action. The Council shall determine whether an Immediate Forfeiture should be

declared. If so, the Council will review the BPS recommendations and make an appointment of a Replacement Franchisee or Temporary Service Provider for the former Franchisee's territory.

7. Remittance of Franchisee's Revenue to BPS. In the event that the Immediate Forfeiture is declared, the former Franchisee shall remit to BPS any and all revenue received for any services to be provided after the date of the forfeiture. If any such revenue has been received by the Franchisee before the date of the forfeiture declaration, the Franchisee shall remit it to BPS within 15 days after the Council's declaration. If any such revenue is received on or after the date of the declaration, the Franchisee shall make a remittance to BPS within 15 days of its receipt. Accompanying these remittances, the Franchisee shall provide an accounting of them by Customer name, service address and billing period. The City may proceed against the Franchisee directly if the Franchisee does not remit these revenues as described, or if the Franchisee's remitted revenues are not sufficient to cover the costs of providing replacement services.
8. BPS Notice to Affected Customers. In the event that the Immediate Forfeiture is declared, BPS shall attempt to notify all affected Customers of the forfeiture, informing them of their new Franchisee or service provider, directing them to whom future services payments should be submitted, and providing such other information as BPS deems pertinent.
9. Rights Affected By Forfeiture. Until the City Council has declared that the Franchise is forfeited, the Franchisee may seek to sell or transfer the Franchise, requesting City approval of the sale or transfer, under the provisions of the Franchise Agreement. Once the City Council has declared that the Franchise is forfeited, the former Franchisee shall have no rights to provide Residential Collection service in any Franchise Territory within the Portland Urban Services Boundary, nor shall the Franchisee retain any right to sell, transfer or otherwise convey the former Franchise. Any rights and revenues that the former Franchisee may hold as a Portland permitted commercial hauler shall not be affected by the forfeiture of the Residential Franchise.

B. CONDITIONAL FORFEITURE

Comment: Under Conditional Forfeiture provisions, the Franchisee is given 30 days in which to remedy a stated condition. If the problem has not been corrected within this time, then the Council may declare that the Franchise has been forfeited. Once Council has made this declaration, the Franchisee retains no rights to the Franchise.

The following procedures provide for notification of the affected Franchisee, including obligations of the Franchisee to respond, and for appointment of another company to provide service to the affected Customers.

1. Notice of Conditional Forfeiture. If BPS determines that a Franchisee is not complying with any of the terms or conditions of the Franchise Agreement, BPS shall mail written notice of initiating the Conditional Forfeiture process to the Franchisee's office address as last provided to BPS. Within 24 hours of the mailing of the notice, BPS shall also personally deliver a copy of the written notice to that office address. Under Section 15.2 of the Franchise Agreement, Conditional Forfeiture may occur upon any of the following events:
 - a. The Franchisee fails to comply with any provision of the Franchise;
 - b. The Franchisee fails to obtain and maintain any permit required by the City or any federal, state or other regulatory body;
 - c. The Franchisee's noncompliance with the Solid Waste, Recyclable Materials or Yard Debris Collection standards creates a hazard to public health or safety;
 - d. Other cause exists for the forfeiture of the Franchise;

- e. Failure to maintain liability insurance as required by the Franchise Agreement;
 - f. Failure to maintain Workers' Compensation Insurance as required by the Franchise Agreement.
2. BPS shall also mail a courtesy copy of the Notice of Conditional Forfeiture to anyone holding a security interest in the franchise, providing that such holder has previously been identified as such to BPS in writing, including a mailing address. This mailing shall take place on the same day as the mailing to the Franchisee. Where a security interest holder has not been identified to BPS, as required under the Reporting section of these Rules, BPS has no obligation for notification.
 3. If a security interest holder has been listed on the Qualified List as provided under Part 3.6 of these Rules, then that security interest holder has 48 hours in which to give BPS adequate assurance that it can and will provide continuous service. If BPS is satisfied with the assurance, BPS staff shall make a recommendation to the City Council that the Franchise be transferred to the security interest holder. The Council has the final authority to review and act on this recommendation.
 4. Content of the Notice.
 - a. The written notice of Conditional Forfeiture shall inform the Franchisee that Conditional Forfeiture has been initiated, and the grounds for BPS's determination. The notice shall also inform the Franchisee that unless the stated reason for the forfeiture has been cured within 30 days of the date on which the notice was personally delivered to the Franchisee's office address, the City Council will consider the Franchise violation and may suspend or terminate all of the Franchisee's rights and provide for temporary or permanent replacement services for the Franchisee's territory.
 - b. The written notice of Conditional Forfeiture shall also include a request for Customer service and billing information as described in B.6 and B.7. below, including deadlines for submittal of the information to BPS.
 5. Franchisee's Opportunity to Respond. The Franchisee shall respond in writing to the BPS notice within ten days of the date on which BPS personally delivered the notice to the Franchisee's office address, stating the course of action that the Franchisee intends to follow to remedy the situation. The Franchisee shall attend a meeting scheduled by BPS within 20 days of the date on which BPS personally delivered the notice to the Franchisee's office address, to report on progress made, if any, toward curing the Franchise violation.
 6. The Franchisee's actions to remedy the situation shall include, but not be limited to:
 - a. If Franchisee is delinquent on Franchise fees or other financial obligations to BPS, Franchisee shall make payment to BPS of any outstanding obligations within 14 days of the date on which BPS personally delivered the notice to the Franchisee's office address.
 7. Provision of Franchisee's Customer Route List. After receiving a Notice of Conditional Forfeiture, the Franchisee shall provide to BPS a Customer route and service list. The Franchisee shall provide this list to BPS no later than 15 days after the date on which BPS personally delivered the Notice of Conditional Forfeiture to the Franchisee's office address. This list shall include names, addresses, and Service Levels of all Solid Waste, Recycling and Yard Debris Customers. The list shall be sorted by current day of service for each type of service so that it may be used by route drivers as a route list for each service. The list shall be on paper or, if in a program compatible with BPS's computer capabilities electronically. Failure to provide this list to BPS as described here shall be an Infraction. (A/I)*
 8. Provision of Franchisee's Customer Account Records. After receiving a Notice of Conditional Forfeiture, the Franchisee shall provide to BPS a record of all Customer accounts for the

current month and any future months for which bills have been sent out or payments received by the Franchisee. The Franchisee shall provide this record to BPS no later than 15 days after the date on which BPS personally delivered the Notice of Conditional Forfeiture to the Franchisee's office address. This record shall include names, service and billing addresses, Service Levels and payment status for all Solid Waste, Recycling and Yard Debris Customers. The record shall include all unpaid bills for past service, and all paid bills for current and future service. The record shall be on paper or, if in a program compatible with BPS's computer capabilities electronically. Failure to provide this list to BPS as described here shall be an Infraction. (A/I)*

9. Discontinuance and Extension of Forfeiture Process. If, at any time, BPS is satisfied with the Franchisee's efforts to cure the Franchise violation identified in the Notice of Conditional Forfeiture, BPS may discontinue the Conditional Forfeiture process. If circumstances warrant, such as a pending sale of the Franchise where satisfactory Customer service is being provided, the City may exercise its discretion to extend the time allowed for Franchisee to cure the Franchise violation.
10. BPS Follow-up Notice. On or before the 30th day following the date on which BPS personally delivered the Notice of Conditional Forfeiture to the Franchisee's office address, BPS may send to the Franchisee a notice of its intent to proceed with or discontinue the Conditional Forfeiture process.
11. Replacement Franchisee. BPS shall, as provided for in these Rules, take steps to select a Temporary Service Provider or Replacement Franchisee.
12. BPS Staff Recommendation to City Council. BPS shall prepare findings and a recommendation for the City Council concerning the Conditional Forfeiture of the franchise rights. BPS shall also provide to the Council the name of the Replacement Franchisee or Temporary Service Provider selected by BPS, including any selection made through a lottery. The findings and recommendations shall be in the form of ordinances submitted to the City Council. BPS shall submit this ordinance to the City Council at any time after the 30th day following the date on which BPS personally delivered the Notice of Conditional Forfeiture to the Franchisee's office address.
13. City Council Action. The Council shall determine whether the Franchisee has failed to comply with the terms of the Franchise Agreement, and if so, whether a Conditional Forfeiture should be declared.
14. Remittance of Franchisee's Revenue to BPS. In the event that the Conditional Forfeiture is declared, the Franchisee shall remit to BPS any and all revenue received for any services to be provided after the date of the forfeiture. If any such revenue has been received by the Franchisee before the date of the forfeiture declaration, the Franchisee shall remit it to BPS within 15 days after the Council's declaration. If any such revenue is received on or after the date of the declaration, the Franchisee shall make a remittance to BPS within 15 days of its receipt. Accompanying these remittances, the Franchisee shall provide an accounting of them by Customer name, service address and billing period. The City may proceed against the Franchisee directly if Franchisee does not remit these revenues as described, or if the Franchisee's remitted revenues are not sufficient to cover the costs of providing replacement services.
15. BPS Notice to Affected Customers. In the event that the Conditional Forfeiture is declared, BPS shall attempt to notify all affected Customers of the forfeiture, informing them of their new service provider, directing them to whom future services payments should be submitted, and providing such other information as BPS deems pertinent.
16. Rights Affected By Forfeiture. Until the City Council has declared that the Franchise is

forfeited, the Franchisee may seek to sell or transfer the Franchise, requesting City approval of the sale or transfer, under the provisions of the Franchise Agreement. Once the City Council has declared the Franchise is forfeited, the former Franchisee shall have no rights to provide Residential Collection service in any Franchise Territory within the Portland Urban Services Boundary, nor shall the former Franchisee retain any right to sell, transfer or otherwise convey the former franchise.

Any rights and revenues that the Franchisee may have as a Portland permitted commercial hauler shall not be affected by the forfeiture of the Residential Franchise.

PART 3.6 REPLACEMENT OF FRANCHISEE

Note: The Comment sections shown in italics give intent or explanation of the Rules and are not adopted as an actual part of the Rules.

Comment: Where a Franchise is forfeited, the City will select a permanent replacement Franchisee by conducting an appraisal of the franchise value and by a qualification process. Where there is no choice of a company or companies clearly most qualified, then the City may use a lottery process, with eligibility of candidates having been determined through the qualification process. BPS will secure an independent appraisal of the value of the franchise, and the selected company(ies) will be offered an opportunity to purchase the franchise from the City for the appraised value. It is the City's intent to use these revenues, first to offset the City's costs of the process of replacing a Franchisee, including costs which might remain for providing any necessary temporary services, then, to offset program costs to the public.

In cases where a Franchisee abruptly ceases to provide service, it may be necessary for the City to step in to assure continuous service. In such cases where there is no time to conduct an appraisal, the City will use a separate process to choose a permanent Replacement Franchisee.

A. SELECTION OF REPLACEMENT FRANCHISEE

1. Establishment of Qualified List. At any time, BPS may issue a request for qualification (RFQ) for providing service in a conditionally or immediately forfeited Franchise Territory. BPS will advertise this request in a Portland newspaper of general circulation, as well as notifying all existing Portland Franchisees by mail, using their office addresses currently on record with BPS. In addition, BPS will notify those parties who hold a security interest in existing franchises, and whose names and mailing addresses have been furnished to BPS. BPS will use the following process to create and maintain a list of qualified applicants.
 - a. Application for qualification is not limited to existing Portland Franchisees.
 - b. BPS will provide forms to be completed by applicants and will ask that applicants request qualification for service in one or both of two categories: service for 1750 Customers or fewer, or service to more than 1750 Customers. BPS may issue an RFQ for one category or both at once.
 - c. The information to be submitted by each applicant to BPS shall include all of the following, and such other information deemed necessary and requested by BPS:
 - 1) A statement of the number of total Portland Residential accounts that the applicant is capable of serving;
 - 2) Evidence that the applicant is capable of providing adequate labor and equipment to service the Customers for Collection of Solid Waste, Yard Debris, and if necessary, Recycling;
 - 3) Evidence that the owner(s) or manager of the company has a record of experience in providing Residential Solid Waste service;
 - 4) Evidence of the applicant's ability to handle administrative tasks for all Portland Customers, including but not limited to billing, Customer service, distribution of information;
 - 5) A list of the applicant's credit references, including any and all bank accounts, creditors and lessors, including names, phone numbers, addresses and account numbers; and
 - 6) Where the applicant is not a Portland Franchisee, a list of all other jurisdictions in the United States in which the applicant has provided waste or Recycling Collection services within the past five years. This list shall include contact information for each jurisdiction's officials

responsible for overseeing these services.

- d. BPS may establish a reasonable deadline for applicants to submit the requested information.
 - e. BPS may contact applicants to verify the stated qualifications and may request additional information.
 - f. BPS's evaluation of each applicant's qualifications shall include a review of the information submitted, as well as a review of the applicant's record of service, including information described below. Where an applicant is not a current Portland Franchisee, information on the applicant's performance record and qualifications will be evaluated from any other localities where the applicant has provided similar services.
 - 1) The applicant's record of Residential Infractions within the previous two years;
 - 2) The applicant's record of timeliness in payment of fees to BPS and Metro;
 - 3) The adequacy of the applicant's labor and equipment plans for servicing all Portland Customers, existing and additional;
 - 4) An analysis of BPS's and the applicant's records of Customer complaints and calls, including types and relative importance;
 - 5) The applicant's record of timeliness in submitting regular reports and other information requested by BPS;
 - 6) Consideration of the applicant's financial, management and operational information which BPS has a right to inspect under the Franchise Agreement. If the applicant is not a Portland Franchisee, then the applicant must make available to BPS the same or equivalent information that would be available from a Portland Franchisee;
 - 7) Other information, which is deemed relevant by BPS.
 - g. Based on the evaluation of their qualifications, BPS will establish a list of Qualified Applicants (hereinafter referred to as the Qualified list).
 - h. The Qualified list will be updated when necessary.
2. Final Selection of a Replacement Franchisee.
- a. Screening Qualified List. Where BPS anticipates a need for a Replacement Franchisee to serve a particular area affected by a Forfeiture or by failure of a Franchisee to provide service, BPS will use its Qualified list to select a Replacement Franchisee. BPS will first give 48 hours notice to the security interest holder for the affected franchise, if that Person is on the Qualified list. Within that 48-hour period, the security interest holder has the opportunity to give BPS adequate assurance that it can and will provide continuous service to the Customers in the affected area. If BPS is satisfied with the assurance, BPS staff shall make a recommendation to the City Council that the Franchise be transferred to the security interest holder. The Council has the final authority to review and act on this recommendation.

If the security interest holder is not appointed by the City Council to take over the Franchise, or the security interest holder declines the Council's appointment, BPS will make the final screening of the Qualified Applicants list in light of maximizing efficient operations, minimizing additional costs, and providing continuous, satisfactory service to the area actually affected at this time. BPS shall screen the final list in order to select the applicant(s) BPS finds qualified, based on consideration of the following factors, and such other information which BPS determines to be relevant to the decision:

- 1) The number of Customers in the affected area;
 - 2) The applicant's number of Residential Infractions and of Customer complaints per 1000 Customers during the past two years;
 - 3) The applicant's ability to service Customers in the affected area on their current service day, if the Approved Recycler serves the affected area;
 - 4) The applicant's capability of providing Recycling Collection to the affected territory on the same day as Solid Waste Collection, either directly or through an Approved Recycler.
- b. Dividing the Territory. BPS may choose to divide the affected area to be served between two or more Replacement Franchisees in order to provide the most efficient service. In assigning the affected area, BPS will attempt to minimize changes in Customers' service schedules.
 - c. Appraisal. BPS will secure an independent appraisal of the value of the Franchise being forfeited. If the Franchise Territory may be divided into parts, BPS will secure appraisals of the parts.
 - d. Notification of Applicants on Final List. Once the Qualified list has been screened to obtain a Final List, and the appraisal obtained, all companies on the Final List will be notified of the appraised value and offered an opportunity to accept or decline to participate in the final selection process. They will be informed that the selected Replacement Franchisee(s) will be offered an opportunity to purchase the Franchise from the City at the appraised value and that they should be prepared to proceed with the purchase if they intend on participating in the selection process.

Applicants who fail to respond to BPS within seven days will be dropped from the list. It is within BPS's discretion to extend this time limit for good cause.
 - e. Lottery. If, in the exercise of its discretion, BPS finds that no candidate(s) is (are) clearly superior, BPS may elect to conduct a lottery to select a Replacement Franchisee. Those eligible for the lottery will be those who have passed the final screening of the Qualified list. If BPS elects to conduct a lottery, it shall be conducted under the supervision of an independent accounting firm. It is within the discretion of BPS to make a choice based on service related qualifications or to proceed with a lottery.
 - f. Notification of Selected Replacement. BPS will notify its tentatively selected Replacement Franchisee, including any winner of the lottery, informing them of the anticipated opportunity to purchase the Franchise from the City at the value determined in BPS's appraisal. Until the City Council has acted to appoint the Replacement, the BPS selection is tentative.
 - g. Response Required. Any applicant so notified shall respond to BPS in writing within three working days, declaring their intent to accept or decline the opportunity to purchase the Franchise and serve as a Replacement Franchisee, if offered by the City Council. It is within BPS's discretion to extend this time limit for good cause. Acceptance shall include a commitment to begin service on the day specified by BPS.
3. City Council Action. After receiving the report from BPS, the City Council shall make the final appointment of Replacement Franchisee for any affected area. The Replacement Franchisee shall be required to sign a Franchise Agreement for service in the affected Territory.
 4. Provisional Status. Until BPS has received full payment of the purchase price, all title and rights to the Franchise shall be vested in the City and the Replacement Franchisee shall be considered

a Provisional Franchisee. If payments are not made according to the payment terms described in these Rules or any terms subsequently adopted by the City Council, the Provisional Franchisee shall be considered automatically terminated and BPS shall retain all payments already received.

5. Payment Terms. The Replacement Franchisee shall pay 100% of the appraised value of the Franchise to BPS within 12 months of Council action. If the amount has not been paid in full to BPS within 30 days, payments shall be made on a monthly basis, amortized over a twelve-month period. Payments shall be due on such monthly date as BPS may establish.

Where the Replacement Franchisee elects to pay in monthly installments, interest on the remaining balance shall be charged at the interest rate earned by the City Treasury on pooled investments, averaged for the most recent month. This rate shall be adjusted monthly. There shall be no penalty for prepayment of any outstanding principal balance.

6. Provision of Records to Replacement Franchisee. As soon as practical, BPS shall provide to the Replacement Franchisee copies of all Customer records, if any, which have been provided to BPS by the previous Franchisee or Temporary Service Provider.
7. Failure to begin service on the day specified by BPS will constitute a rejection of the appointment to serve as a Replacement Franchisee and will cause BPS to choose another Replacement Franchisee.

B. SELECTION OF TEMPORARY SERVICE PROVIDER

Comment: In cases where a Franchisee abruptly ceases to provide service, it may be necessary for BPS to step in to assure continuous service. In such cases where there is not adequate time to conduct an appraisal and choose a permanent Replacement Franchisee, the City will use the following separate but similar process to choose a Temporary Service Provider, followed later by the appraisal and selection process to choose a permanent Replacement Franchisee.

1. Restricted to Existing Portland Franchisees. The circumstances in which the City would appoint a Temporary Service Provider demand a sudden assumption of duties, where a company must quickly step in to provide satisfactory and uninterrupted Collection services. In such a case, if it serves the public interest for the City to appoint a company, such company shall have known record of satisfactory service in Portland and have demonstrated a high level of familiarity with Portland's City Code and Administrative Rules governing the Collection of waste and recyclables. To ensure this immediate but temporary assumption of responsibility, the City shall consider only existing Portland Franchisees to be qualified as Temporary Service Providers.
2. Use Existing Qualified List. The City will use its existing Qualified List, described above, in selecting a Temporary Service Provider. Companies, which are not existing Portland Franchisees, shall be eliminated from the Qualified List for this purpose. BPS will notify Franchisees on the Qualified List that they have the opportunity to participate or not in the selection of Temporary Service Provider. Those Franchisees who fail to respond to BPS within seven days will be dropped from the Qualified List for the selection at hand. It is within BPS's discretion to extend this time limit for good cause.
3. Method of Selecting a Service Provider. From among the Franchisees remaining on the Qualified List, BPS shall use criteria listed above under A.2. Final Selection of a Replacement Franchisee, to choose either a Temporary Service Provider(s) or a Lottery eligible list for the affected franchise area. It is within the discretion of BPS to choose one temporary service provider based on service related qualifications or to proceed with a lottery.
4. Lottery. Where a lottery is conducted to select a Franchisee as Temporary Service Provider, it shall be carried out as described above under Selection of Replacement Franchisee. The chosen Franchisee shall not be required to post any bond or make any payment to BPS for this temporary appointment.
5. Approved Recycler. If the area to be served is currently served by an Approved Recycler, the

Temporary Service Provider(s) shall maintain that service. The Temporary Service Provider shall make payments to the District for the affected service.

6. BPS Notification. BPS will notify the Franchisee tentatively chosen as Temporary Service Provider(s) of the day when Temporary Service is anticipated to begin. Where deemed practical by BPS, BPS shall give this notice at least seven days in advance of that day.
7. Franchisee's Response Required. Any Franchisee so notified shall respond promptly to BPS in a manner directed by BPS, stating their intent to accept or decline the appointment as a Temporary Service Provider if offered by the City Council. Acceptance shall include a commitment to begin service on the day specified by BPS. Failure to begin service on that day will constitute a rejection of the appointment to serve as a Temporary Service Provider and will cause the City to choose another Temporary Service Provider.
8. Length of Service. BPS will specify an anticipated length for the temporary provision of services.
9. City Council Appointment. Following a recommendation by BPS, the City Council shall make the final appointment of Temporary Service Provider(s) for any affected area and shall specify the duration of the temporary service provision.
10. Customer Records. BPS will provide to the Temporary Service Provider such Customer records as have been provided by the previous Franchisee for the area. It is the Temporary Service Provider's responsibility to prepare complete Customer service and billing information, using whatever route research and Customer contacts are necessary.
11. Applicability of Rules to Temporary Service Providers. All provisions of these Administrative Rules shall apply to Franchisees during any appointment as Temporary Service Provider. Due to the unusual circumstances of swiftly substituting a new service provider, especially where the previous Franchisee may not have cooperated in the transition, BPS may relax enforcement of these Rules in order to ensure a smooth transition.
12. Billing Responsibility. The Temporary Service Provider shall bill the temporarily assigned Customers according to these Rules.
13. Reimbursement of Costs for Temporary Service.
 - a. BPS shall guarantee the Temporary Service Provider revenues to cover the costs of providing the appointed temporary service. The amount to be guaranteed will be stated by BPS in its selection process for Temporary Service Provider. In order to receive any such guaranteed revenue from BPS; the Temporary Service Provider shall provide information as requested by BPS.
 - b. Such revenues shall be based on the "revenue potential" for the affected area. This "revenue potential" is an amount equal to the revenues that would be Collected for basic services in a one-month period, as reflected on the most recent records provided to BPS by the former Franchisee for the affected area, modified by Customer service changes recorded by the Temporary Service Provider during the temporary service period. "Extras," such as non-curb service or extra cans of Solid Waste or Yard Debris shall not be included when calculating the "revenue potential." Any applicable "terrain charges" shall be included. If the former Franchisee has not provided BPS with complete Customer lists during the forfeiture process, BPS will use the Customer counts and Service Level information provided on the former Franchisee's most recent Quarterly Recycling Report received by BPS and will work with the Temporary Service Provider to determine the actual number of Customers and Service Levels. In such cases, BPS retains the right to make a final decision on the amount of the "revenue potential."
 - c. Depending on BPS's ability to provide the Temporary Service Provider with Customer route, service and billing records, or on other circumstances, BPS may guarantee an amount more than equal to the "revenue potential" for the first months of service.

- d. BPS's guarantee for any other months shall be an amount equal to the "revenue potential," or such other amount as is authorized by the City Council and stated in the selection process.
 - e. The Temporary Service Provider shall provide BPS with records of all revenues received from temporary Customers in applying for the City guaranteed revenues. In calculating the amount to be paid to the Temporary Service Provider, BPS will deduct actual revenue received for regular services, including any applicable terrain charges. Revenue for any "extras," such as non- curb service or extra cans of Solid Waste or Yard Debris, shall not be deducted by BPS in calculating the balance of the amount guaranteed to the Temporary Service Provider.
14. Provision of Customer Information to BPS. During the period of Temporary Service Provision, BPS may require the Temporary Service Provider to submit complete Customer route, service and billing information, in order to assure Customer service and to prepare for an orderly transition to the Replacement Franchisee. The Temporary Service Provider shall provide this information to BPS within 30 days of BPS's request. (B/I)*

PART 3.7 MEDIATION

Upon notice from a Franchisee to BPS that a dispute exists which is not covered by the Residential Compliance and Enforcement section of the Administrative Rules, BPS and the Franchisee shall meet with a mutually acceptable mediator in an attempt to resolve the dispute.

The Franchisee's notice of dispute shall be in writing and include a detailed description of the matter in dispute.

The non-binding mediation shall occur in a timely manner after BPS has received notice. The mediation shall terminate upon either (1) resolution of the dispute; or (2) when the mediator determines that settlement of the disputed issue is not likely.

The parties to the mediation shall share the cost of the mediation proportional to their number. BPS reserves the ability to decline to participate in mediation due to fiscal constraints.

2. The minimum interior bottom dimensions are 12” and 17”.
3. The bin is to be rectangular shaped (not round).
4. The bin shall have a handle at least on each end.
5. The bins shall be manufactured from high density polyethylene and will contain a minimum of 25 percent by weight post-consumer recycled (PCR) content. Upon City request, Franchisee must supply to City a letter from the vendor certifying that the PCR resin meets this 25% standard.
6. There shall be at least four ½ inch drain holes in the bottom surface of the bin, with uninterrupted drainage retention canals.
7. On one of the short ends of the bin, the Franchisee may place a sticker or hot-stamped printing giving the Franchisee’s name and phone number. Any such message shall be in at least 36-point type, with a high contrast between text and background colors. If a sticker, it shall not obscure any of the wording or logo required above.
8. Bins shall be a bright yellow which matches the Residential bins provided by the City of Portland between 1992 and 2004.

Exhibit C: Side Guard Specifications

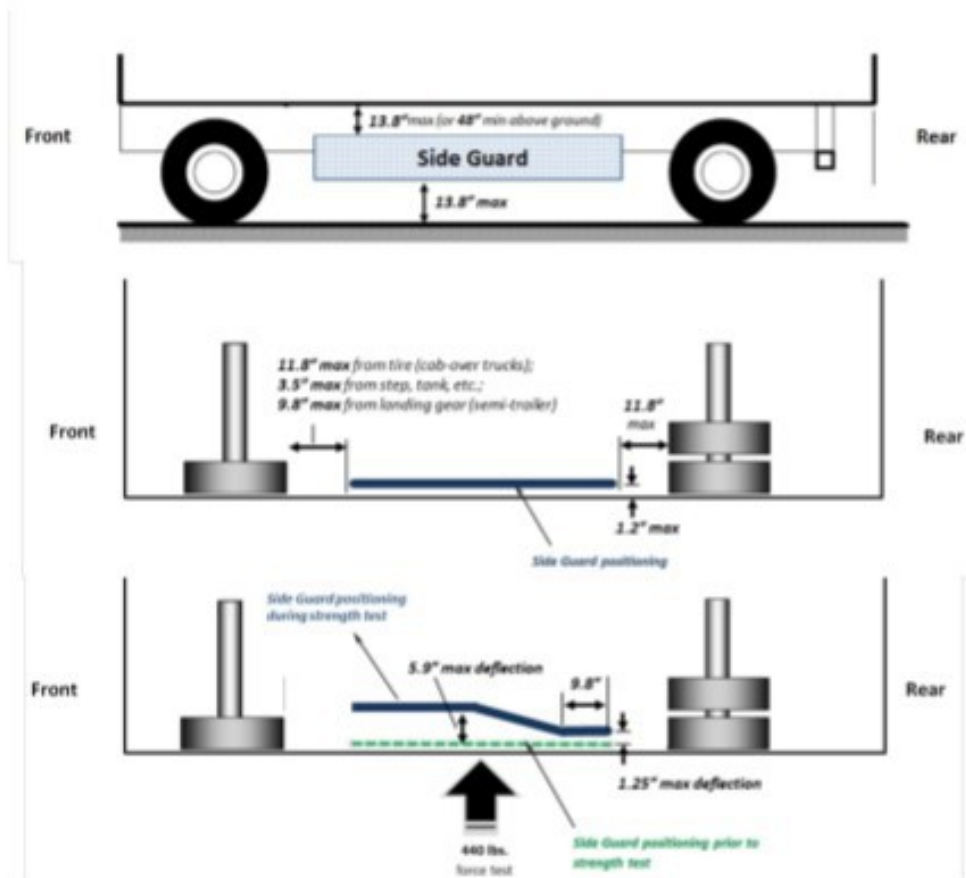

Truck Side Guard Specifications

Recommended Standard DOT-VNTSC-OSTR-16-05

This document is intended to be used by (1) public or private medium/heavy-duty truck fleets considering adding side guards; (2) jurisdictions or customers that require side guards through policy or procurement; (3) manufacturers of side guards; and (4) truck manufacturers and dealers.¹ The specifications below are based on previously published Volpe recommendations (Reports [DOT-VNTSC-DCAS-14-01](#) and [DOT-VNTSC-SFMTA-16-01](#)) and may be referred to as the "Volpe side guard standard" or "Volpe side guard specifications." This standard can be used as a basis for design, production, testing, review, and procurement of side guards and side-guard-equipped vehicles.

I. Dimensional and strength specifications

A side guard meets the strength requirement if it is capable of withstanding **440 pounds** of force applied perpendicularly to any part of its surface by the center of a flat, circular plate of diameter no greater than **8.7 inches**, such that the deflection of the loaded side guard measured at the center of the plate does not exceed (1) **5.9 inches** anywhere, or (2) **1.25 inches** in the rearmost **9.8 inches**. A manufacturer may also demonstrate compliance using a valid engineering calculation, such as finite element analysis.²

2. Additional dimensional specifications for rail-style side guards

A	13.8 inches max
B	11.8 inches max
C	13.8 inches max
D	4.0 inches min
E	11.8 / 3.5 inches max*
F	11.8 inches max

*The gap between the side guard's leading edge and the wheel, wheel arch, or other permanent vehicle structure should not exceed **11.8 inches**. A **turned-in vertical bar** connecting the forward ends of the horizontal rails should be incorporated if the forward gap exceeds **3.5 inches**. The bar need not be turned in or can be omitted if the distance is less than 3.5 inches.

3. Vehicle weight threshold and flexibility of design

Side underride protection should be included on **Class 3** and above vehicles, which have a gross vehicle weight rating (GVWR) of **10,000 pounds** and higher.

Acceptable side underride protection can be provided by **any combination** of vehicle body, fuel tanks, tag axles, tool boxes, or purpose-built side guards comprising a smooth surface flush with the vehicle sidewall, meeting the Volpe dimensional and strength specifications set forth above.

Graphic adapted from U.S. Department of Energy

¹ This document was prepared for the Office of the Assistant Secretary of Research and Technology.

² A third option for demonstrating strength compliance is type approval by the United Kingdom Department for Transport [Vehicle Certification Agency](#) or other recognized side guard homologation with equal or greater stringency. A side guard with such type approval that also meets the Volpe dimensional criteria may be considered to meet the Volpe standard.

Exhibit D: Back-up Collection Vehicle Guideline

Back-up Collection Vehicles can be used in a back-up capacity for 20% of a full-time Collection Vehicle miles if a Collection Vehicle breaks down or is out of service. Franchisees have options for Back-up Collection Vehicles to be used for more miles if is backing up multiple full-time trucks. The mileage allowance applies to both Residential and Commercial services.

Back-up Collection Vehicle Mileage Allowance

Option	# of Full Time Vehicles Covered by the Back-up Collection Vehicle	Miles Allowed for the Back-up Collection Vehicle
A	1	3000
B	2	3500
C	3	4000
D	4+	4500

*Due to higher miles required to deliver service, drop box trucks are allowed a different threshold of miles for Back-up Collection Vehicles. This schedule starts with option A - 4500, B - 5000, C - 5500, D – 6000 miles.
