LETTER OF AGREEMENT

The parties to this Letter of Agreement are the City of Portland (City) and the City of Portland Professional Employees Association (COPPEA).

Background

1. On October 7, 2003, COPPEA was certified as the exclusive representative of the Remittance Technician classification (UC-37-03).
2. At the time of the certification Melanie Routley was an Information Systems Technician II overfilling a Remittance Technician position.

Agreement

1. The parties have reached a tentative agreement regarding the wages, hours and working conditions for the Remittance Technician classification.
2. Ms. Routley will be reclassified from Information Systems Technician II to Remittance Technician effective with the ratification of this tentative agreement.
3. Ms. Routley's rate of pay will remain frozen at its current rate until the maximum pay for the Remittance Technician classification equals or exceeds her rate of pay. When this occurs Ms. Routley will receive salary increases in accordance with the Labor Agreement.
4. If Ms. Routley is the successful applicant for a position as an Information Systems Technician II, she will be able to use the seniority she accrued as an Information Systems Technician II, as is appropriate under the Labor Agreement, up to the effective date of her reclassification to Remittance Technician. This does not preclude her from having a promotional probationary period.
5. When assigned to work out of classification as an Information Systems Analyst IV (Supervisor) under the provisions of Article 19, Section 3, Ms. Routley will receive minimum rate of the ISA IV (Supervisor) pay range.
