

This week, we received 340 new campsite reports, of these, 99 were reports of people staying in their vehicles throughout the city. To date, we have received reports about 370 different vehicles in which people are living.

### **Coordinated Campsite Cleanup update:**

Last week we concluded our cleanup of the Springwater Corridor Trail (SCT). Parks/BES have installed “No Camping/No Trespassing” signage, with the O.R.S. Code (164.245), all along the trail and contiguous properties thereby making violations enforceable by Park Rangers and Police.

The Brookside Natural Area was posted again on Friday, October 21, and crews are scheduled to resume work there later this week. Last week, several trailers full of garbage were removed from the property.

Additionally, The “Greater SE 5<sup>th</sup> and SE Ivon” area was posted on 10/21/2016. There were several areas that had camps with 10 or more people, and all of these camps, west of the MAX line, were included in this posting. Crews began work there on Monday, October 24.

This coming Friday, October 28, Posting Notices will go up at several locations along the north side of I-84 from I-5 to NE 92<sup>nd</sup> Ave (aka The Sullivan’s Gulch Cleanup Project). This includes the area north of the I-84 sound wall on NE Broadway/Jonesmore (roughly between NE 70<sup>th</sup>-NE 82<sup>nd</sup>), NE Lloyd Blvd from N interstate to NE Multnomah (including NE 16<sup>th</sup> Dr.), and other City properties in this area. This project is being coordinated by Metro’s RID Program, in cooperation with Multnomah County Sherriff’s Office and Union Pacific. Oregon Department of Transportation (ODOT) is aware of this project and will be posting their properties in the area accordingly. Work will begin starting Monday, October 31.

### **Campsite Report Summary** (please note the number next to the site are report totals for this week **only**):

- SE 75<sup>th</sup> and SE Powell (28)
- SE 12<sup>th</sup>-SE 9<sup>th</sup> and SE Stark/Alder/Washington (Greater St. Francis/Revolution Hall Area) (24)
