

This week, 17-23 July 2017, we received 609 new campsite reports identifying roughly 110 campsites throughout the City. Of these new reports, 240 were of people living in vehicles throughout the City. Additionally, 165 of the reports we received this week were reports of camping on Oregon Department of Transportation (ODOT) properties and rights-of-way, 2 were of camping on Union Pacific Railway right-of-way, and 13 were of camping/squatting on private properties.

Please note:

The web-based version of the [PDX Reporter app](#) for your smartphone is now available. This new version allows us to more easily, and regularly, update the app for a better user experience. We encourage people to stop using the older iOS and Android version of the PDX Reporter app as they are no longer receiving maintenance updates, and will eventually be removed altogether.

To create an icon for the new app on your phone's home screen:

- 1) Visit www.pdxreporter.org on your phone's web browser
- 2) Sign in using the same username and password created for the City's website
- 3) Then pin a shortcut (icon) to your phone's home screen for quicker access to the online app.

Coordinated Campsite Cleanup Update

Last week we cleaned the following locations:

- SE 2nd and SE Oak
- SE 80th and SE Rhone
- Greater Morrison Bridge Area
