September 21 – September 27, 2020

Last week, the Homelessness and Urban Camping Impact Reduction Program (HUCIRP):

- Conducted 3 campsite removals and 45 campsite cleanups.*
 - *Campsite removals indicate personal property has been removed and placed in storage. Cleanups mean no personal property was collected, only what was identified as garbage in addition to other biohazardous materials.
- Completed approximately 333 assessments—engaging with people living in camps, collecting garbage and biohazardous materials, and coordinating with service providers.

This week we received:

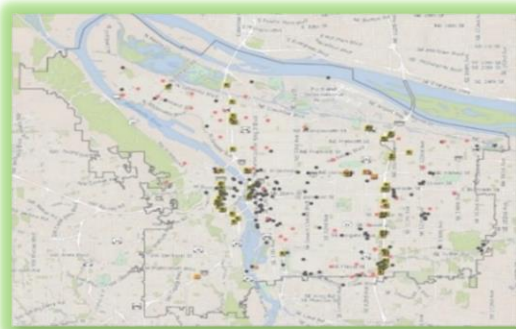

863 new campsite reports identifying 206 active campsites throughout the City.

Of these reports:

- 217 were reports of people living in vehicles.

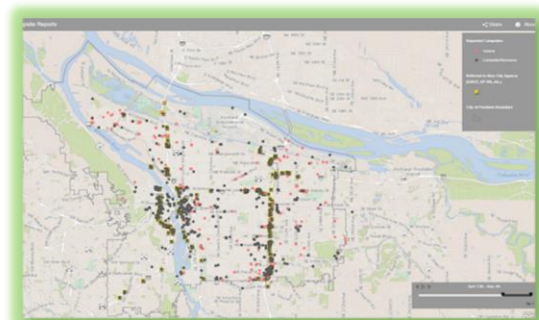

Due to COVID-19, HUCIRP has developed this protocol with regard to campsite cleanups:
