

CITY OF PORTLAND

WEEKLY CAMPSITE REPORT

October 19-October 25, 2020

Last week, the Homelessness and Urban Camping Impact Reduction Program (HUCIRP):

- Conducted 3 campsite removals and 40 campsite cleanups.*
 - *Campsite removals indicate personal property has been removed and placed in storage. Cleanups mean no personal property was collected, only what was identified as garbage in addition to other biohazardous materials.
- Completed approximately 313 assessments—engaging with people living in camps, collecting garbage and biohazardous materials, and coordinating with service providers.

This week we received:

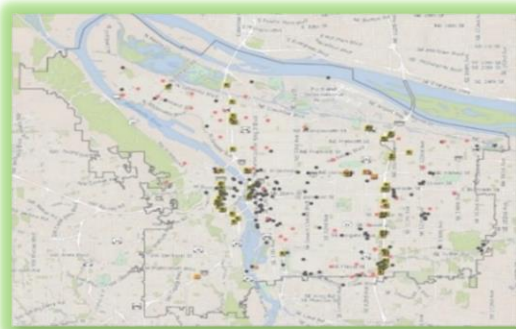

1555 new campsite reports identifying 255 active campsites throughout the City.

Of these reports:

- 112 were reports of people living in vehicles.

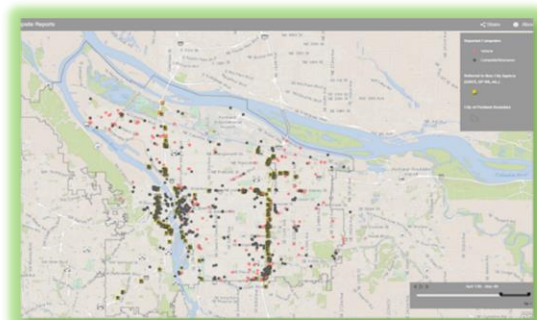

Due to COVID-19, HUCIRP has developed this protocol with regard to campsite cleanups:
