INSTALLMENT PAYMENT CONTRACT OPTIONS, TERMS, AND PROVISIONS

PAYMENT OPTIONS AND SCHEDULES

The Transportation System Development Charge Program offers four loan payment options: monthly installments over 5 years, monthly installments over 10 years, monthly installments over 20 years or semi-annual installments over 20 years. Loan amount must exceed \$2,500 to qualify for either 20-year option. The City uses the following calculations when preparing installment bills.

Monthly Payment Options: Monthly installments include increasing principal and decreasing interest amount, plus a billing contract fee. Interest is charged through the bill due date. Installment billings begin 30 to 60 days after the loan contract is received by the City.

Semi-Annual Payment Option: Installment payments are billed every six month, beginning 6 to 7 months after the loan contract is received by the City. Each installment consists of one-fortieth (1/40) of the original loan amount plus 6 months interest on the outstanding balance and a bill transaction fee.

Senior Citizen Assessment Deferral Option: The State of Oregon makes semi-annual installment payments on your behalf. When the property is sold or transferred to a new owner, the State is repaid for the total of their installment payments plus simple interest of 6% per year. To qualify, you must be at least 62 years old, be living in the affected property, and must have a household income of less than \$37,500 per year. Contact Dewey Mezell at (503) 823-3574.

SPECIAL CERTIFICATION FOR 5-YEAR LOANS

The 5-year loan term option may be selected on a voluntary basis. In so doing, you consent to repay this contract in less than the 10-year minimum term required to be offered by State law. You acknowledge that this contract accurately describes the assessed property and the charges for which the assessment is made. Also, you acknowledge that the loan amount described in this contract is a lien which is recorded in the Docket of City liens.

FINANCE FEE

The City adds a non-refundable finance fee to the assessment to pay for processing your loan and selling bonds. The current fee is \$40.00 plus 0.49% (.0049) of the loan amount.

INTEREST RATES AND BILLING FEES

The City finances this installment loan by selling improvement bonds at favorable interest rates. Prior to the bond sale, the City charges an interim interest rate which reflects bond market conditions. After the bond sale, the installment interest is fixed at a permanent rate equal to the true interest cost of the bonds plus a financing rate set by City Council. The City calculates separate interest rates for each of the 5, 10, or 20 year loan terms. Each bill includes a billing fee which may be adjusted at any time without notice.

BILLING AND PAYMENT

The City bills you directly for your loan installments. Your installments are not made a part of your property tax bill. Make your payments on or before the payment due date. Include your account number on your check and make the check payable to the City of Portland. You may shorten the payment period by paying more than the required amount. The entire unpaid balance plus accrued interest may be paid off at any time without prepayment penalty.

PENALTIES FOR NON-PAYMENT

The City charges late interest monthly on the past due principal balance, based on the loan interest rate. When payment is more than 30 days past due, penalties and collection charges will be added as provided by City Code. Beyond 60 days past due, the City may declare this contract in default and require a new loan contract subject to new interest rates and charges. The City may also require payment of the entire amount of delinquent installments, plus late interest, penalties, and collection charges. This loan is secured by a lien on the benefited property. The City lien may be assumed when the property is transferred; however the City cannot subordinate the lien. Banks or financial institutions generally require full payment of this loan before closing a private mortgage or refinancing transaction. The City may enforce its property lien by foreclosing and selling the property to collect the outstanding loan balance and all related costs.

BOND RESERVE FEE

In addition, the City may charge a bond reserve fee if required to sell assessment bonds. Proceeds from the bond reserve fee will be dedicated to a reserve account and used as security for the assessment bonds.

CHANGE OF ADDRESS

You are responsible for notifying the City Revenue Bureau – Liens Section, (503) 823-4090, of any change of ownership or billing address.
