DEFERRAL PAYMENT CONTRACT TERMS AND PROVISIONS

PAYMENT OPTION

The Transportation System Development Charge Program offers a deferred payment option. Payment of the deferred amount plus accrued interest is due by the end of the deferral period. The City will send an assessment notice 30 to 60 days after the building permit is issued. You are responsible for making sure full payment is received by the City no later than the end of the deferral period. For current payoff information, contact the Revenue Bureau Liens Section at (503) 823-4090. Include your account number on your check, make the check payable to the City of Portland, and mail to:

City of Portland
Revenue Bureau – Liens Section
PO Box 8834

SPECIAL CERTIFICATION FOR DEFERRED PAYMENT OPTION

The deferred payment option may be selected on a voluntary basis. In so doing, you consent to pay the charges in full, plus accrued interest, no later than the end of the deferral period. You acknowledge that this contract accurately describes the assessed property and the charges for which the assessment is made. Also, you acknowledge that the deferral amount described in this contract is a lien which is recorded in the Docket of City Liens.

PROCESSING FEE

The City charges a non-refundable \$50.00 fee for processing the deferral contract. This charge will be added to your building permit and will need to be paid at the time of permit issuance.

INTEREST RATES AND BILLING FEES

Interest shall accrue during the deferral period at the City's current interim interest rate. This interest is due and payable by the end of the deferral period.

PENALTIES FOR NON-PAYMENT

After the deferral period has passed, any remaining balances will accrue interest at the City's default interest rate. Beyond the deferral due date, the City will declare this contract in default, and penalties and collection charges will be added as provided by City Code. The City bills you directly; these charges are not made a part of your property tax bill. This deferral contract is secured by a lien on the benefited property. The City lien may be assumed when the property is transferred; however the City cannot subordinate the lien. Banks or financial institutions generally require full payment of this deferral before closing a private mortgage or refinancing transaction. The City may enforce its property lien by foreclosing and selling the property to collect the outstanding balance and all related costs.

CHANGE OF ADDRESS

You are responsible for notifying the City Revenue Bureau – Liens Section, (503) 823-4090, of any change of ownership or billing address.
