TOPIC: Frontage Improvements

CODE: City Code Title 17.88

REFERENCE:

EFFECTIVE DATE: January 1, 2011

SUBJECT: Frontage Improvement requirements for replacement of single family residence

Effective January 1, 2011 the Portland Bureau of Transportation is requiring frontage improvements per City Code Title 17.88 for replacement single family residence permits. These improvement requirements, or a portion thereof, (typically curb, paving, sidewalk, street tree and stormwater improvements) are limited to the existing public right of way.

For properties that do not have standard street improvements along the site frontage street improvements may be required at time of building permit for replacement single family residential construction.
