| <i>VOLUME I POLICIES AND SYSTEM IMPROVEMENTS</i> | |
| 1 Introduction | 1-1 |
| TSP Themes | 1-1 |
| Regulatory Framework | 1-3 |
| TSP Development and Review | 1-5 |
| TSP Elements | 1-6 |
| | |
| 2 Transportation Element of the Comprehensive Plan | 2-1 |
| Introduction | 2-1 |
| Goal 6 Transportation | 2-3 |
| Coordination and Involvement Policies | 2-3 |
| Street Classification and Description Policies | 2-5 |
| Transportation Function Policies | 2-26 |
| Land Use and Transportation Policies | 2-28 |
| Pedestrian and Bicycle Policies | 2-30 |
| Public Transportation Policy | 2-32 |
| Parking and Demand Management Policies | 2-32 |
| Freight, Terminals, and Truck Policies | 2-35 |
| Regional Transportation Policies | 2-37 |
| North Transportation District | 2-39 |
| Northeast Transportation District | 2-49 |
| Far Northeast Transportation District | 2-59 |
| Southeast Transportation District | 2-69 |
| Far Southeast Transportation District | 2-79 |
| Northwest Transportation District | 2-89 |
| Southwest Transportation District | 2-99 |
| Central City Transportation Management Plan Policy | 2-106 |
| Goal 11B Public Rights-of-Way | 2-119 |
| Environmental Sustainability in Transportation Policy | 2-119 |
| Project Selection Policy | 2-120 |
| Street Design and Right-of-Way Improvements Policy | 2-121 |
| Street Plans Policy and Master Street Plan Maps | 2-123 |
| Maintenance Policy | 2-148 |
| Performance Measures Policy | 2-148 |
| Central City Transportation Management Plan Goal | 2-153 |
| Growth with Livability Policy | 2-153 |
| Circulation and Access Policy | 2-154 |
| Mode Split Policy | 2-158 |
| Parking Policy | 2-159 |
| Transit Policy | 2-169 |
| Demand Management Policy | 2-171 |
| Pedestrian Network Policy | 2-172 |
| Bicycle Network Policy | 2-174 |
| Air Quality Policy | 2-175 |
| Glossary of Transportation Terms | 2-177 |

Table of Contents

| Chapter | Title | Page |
|----------------|--|-------------|
| 3 | Transportation System Improvements | 3-1 |
| | Introduction | 3-1 |
| | Requirements | 3-1 |
| | Project Identification Process | 3-3 |
| | System Improvements and the Financial Plan | 3-9 |
| | Recommended Major Transportation Improvement List | 3-9 |
| | Citywide Projects | 3-15 |
| | Central City: Major Transportation Improvements | 3-19 |
| | North: Major Transportation Improvements | 3-33 |
| | Northeast: Major Transportation Improvements | 3-45 |
| | Far Northeast: Major Transportation Improvements | 3-61 |
| | Northwest: Major Transportation Improvements | 3-69 |
| | Southeast: Major Transportation Improvements | 3-75 |
| | Far Southeast: Major Transportation Improvements | 3-85 |
| | Southwest: Major Transportation Improvements | 3-93 |
| | Consistency with RTP Project List | 3-103 |
| 4 | Refinement Plans and Studies | 4-1 |
| | Introduction | 4-1 |
| | RTP Plans and Studies | 4-1 |
| | Portland Plans and Studies | 4-15 |
| 5 | Modal Plans and Management Plans | 5-1 |
| | Introduction | 5-1 |
| | Motor Vehicle | 5-7 |
| | Public Transportation and Transportation Disadvantaged | 5-43 |
| | Pedestrian | 5-71 |
| | Bicycle | 5-95 |
| | Freight | 5-113 |
| | Air, Rail, Water, and Pipeline | 5-127 |
| | Transportation Demand Management and Parking | 5-137 |
| | Transportation System Management | 5-163 |
| 6 | Implementation Strategies and Regulations | 6-1 |
| | Introduction | 6-1 |
| | Code Amendments | 6-2 |
| | Title 16 | 6-3 |
| | Title 17 | 6-3 |
| | Title 33 | 6-4 |
| | Comprehensive Plan Amendments | 6-8 |
| | Project Development | 6-11 |
| | Street Standards and Guidelines | 6-17 |
| | Sustainable Infrastructure | 6-31 |
