Please join us for updates on sidewalk projects in Powellhurst-Gilbert Neighborhood

The Portland Bureau of Transportation (PBOT) is bringing much-needed sidewalk and crossing projects to East Portland. This open house will cover the sidewalk and crossing projects listed below. PBOT will also build new curb ramps and rebuild driveway aprons to make these new sidewalks accessible to all. Please come to the open house anytime between 5:30 and 7:30 PM to see plans and maps, learn more about construction, talk to staff and provide feedback. PBOT is building more sidewalk projects throughout East Portland. Together, the projects will fill more than 7 miles of gaps where sidewalks are missing.
