

Pedestrian Crosswalk Education and Enforcement Actions **(2005-2019)**

The City of Portland Bureau of Transportation (PBOT), Portland Police Traffic Division, and local pedestrian and bicycle groups conduct "crosswalk education and enforcement actions" throughout the City. Each crosswalk education and enforcement action is an opportunity to educate community members about Oregon crosswalk laws and to enforce the law.

A crosswalk education and enforcement action includes one or more pedestrian decoys strategically positioned at locations that have marked or unmarked crosswalks and a fair amount of pedestrian activity and vehicle travel. Drivers that fail to stop for pedestrians in the crosswalk according to Oregon law can be issued a warning or given a citation that carries a presumptive fine of \$260. Pedestrians that cross outside of a crosswalk can also receive a warning or a citation that carries a presumptive fine of \$110. Crosswalk enforcement actions are conducted throughout the year.

Oregon Crosswalk Law (ORS 811.028) states that "Motorists are required to stop and stay stopped for pedestrians in a marked or unmarked crosswalk when the pedestrian is in the motorist's lane or the adjacent lane." Drivers must stop and remain stopped until pedestrians crossing the street clear the driver's lane plus the lane before and the lane after the driver's lane. When making a turn at a traffic controlled intersection, motorists are required to stop lane plus 6' for a pedestrian. In addition, motorists are required to stop curb to curb for a person who is blind or blind and deaf, who is carrying a white cane or accompanied by a dog guide, and who is crossing or about to cross a roadway. (ORS 811.035)

The following pages list the crosswalk education and enforcement actions conducted since 2005 starting with the most recent actions.
