**6:30-7:00: 2018 Regional Transportation Plan (RTP) Call for Projects** (Judith Gray, PBOT)

Following up on last month's briefing on the RTP call for projects, Judith will review the methodology/criteria used to develop the list of RTP projects, and the resulting project list. Staff will distribute the draft project list to PAC members and a description of the approach/criteria used in advance of the meeting.

Key questions/issues for the PAC: Support for the project selection methodology/criteria and proposed project list

**7:00-7:30: Transportation System Development Charges (TSDC) Update** (Mauricio Leclerc and Rich Eisenhauer, PBOT)

Following up on the briefing provided to the PAC in February, Mauricio and Rich will review the TSDC Update materials scheduled for Council review on July 26. Staff will ask for a letter of support for the updated TSDC project list and fee. A general description of the changes made since the last PAC briefing will be distributed to PAC members in advance of the meeting.

Key questions/issues for the PAC: Letter of support

**7:30-8:00: Enhanced Transit Communities** (April Bertelsen, PBOT)

PBOT is leading a planning process in coordination with TriMet to develop the Enhanced Transit Corridors Plan to identify where transit priority, streamlining, and access treatments could be most beneficial on the planned TriMet Frequent Service network. Staff will present an overview of the planning process, initial evaluation results and staff recommendations on where to focus more in the next phase and proposed RTP project candidates. Additional project information is available at [www.portlandoregon.gov/transportation/ETCplan](http://www.portlandoregon.gov/transportation/ETCplan).

Key questions/issues for the PAC: Feedback and/or endorsement of staff recommendations
