III. Frequency of Meetings
The Body shall meet at least 12 times each calendar year and as otherwise necessary to conduct its business. Meetings shall be conducted in accordance with the operating procedures specified herein.

IV. Membership and Term
Members of advisory bodies are public officials. They should become familiar with rules and responsibilities described at the “Oregon Government Ethics Law - A Guide for Public Officials” (Oregon Government Ethics Commission).

   A. Total membership consists of 20 seats
      All seats to serve for 2 years.
B. Terms
All terms begin and end at the same time

C. Term Limits
1. Members may serve any number of terms not to exceed eight years of total consecutive service. Completion of an unexpired term does not apply toward the eight-year cumulative.

2. At the completion of each term, regardless of term length, incumbents are required to complete notice of intent to continue to serve and discuss mutual benefits of continuing on the body with the designated bureau staff.

3. Members interested in continuing service beyond eight years must sit out for one term before reapplying to serve on the same advisory body.

Members may not have alternates and all serving members are selected and appointed to full terms. Whether a seat is filled for the remainder of the vacated term or anew will be determined by the appointing entity. If there are vacancies, including if a position becomes vacated during a term, normal recruitment processes should follow. The process includes recruitment applications, vetting and selecting members, and appointment by the Elected-in-Charge.

D. Quorum
A quorum shall consist of a simple majority: 50% plus 1 or greater number

E. Voting
Majority of seats per ORS 174.130

A quorum shall be necessary of voting members to make decisions that represent the position of the Body and to fulfill any other responsibilities. Proxy/absentee voting is not allowed.

V. General Operating Procedures
A. Disclosure of Conflicts of Interest [or other connection]
   • A public official is required to make an announcement of the nature of a conflict of interest each time the issue giving rise to the conflict of interest is discussed or acted upon.
   • The announcement needs to be made on each occasion when the public official is met with the conflict of interest, and the public official must disclose the nature of the conflict of interest.
   • For example, an elected member of the City Council would have to make the public announcement one time when met with the conflict of interest, but only one time in each meeting of the City Council. If the matter giving rise to the conflict of interest is raised at another meeting, the disclosure must be made again at that meeting.
• Bureau liaison and/or staff are obligated to record and keep all conflicts of interest that are announced during each meeting.
• If it is found that a member did not disclose a conflict of interest, staff must alert the Bureau Director of the instance as soon as the incidence is known.
• Any potential or actual conflict of interest noted by staff will be included in the recommendation report provided to City Council or other final decision-making body.

B. Meetings will be conducted to foster collaborative decision-making using either:
• Robert’s Rules of Order culminating in a majority vote;
• Consensus Decision Making (including Modified Consensus Decision Making). This still requires a quorum and a final vote.

VI. Removal of Members and Resignations

A. All members serve at the pleasure of the Elected-in-Charge of the Bureau and may be asked to resign or be removed at the Elected-in-Charge's discretion at any time unless authority exists requiring a different process.

B. Any member who does not give notice that they intend to be absent from a scheduled meeting for more than 25 percent of the meetings in any 12 months of the service will be removed by the Bureau Director.

C. Process for removal
• For unexcused absences: Bureau liaison keeps attendance and informs Bureau Director of absences, who in turn informs the member in writing that they have been removed as a member of the Body.
• By Elected-in-Charge: Elected informs the member in writing that they have been removed as a member of the Body.

D. Resignation process
Members are expected to make a good faith effort to complete their term. In cases where this is not possible, members are expected to provide notice to the City staff liaison in writing (preferred) or verbally. Members are encouraged to complete the Resignation Form and submit to City staff liaison.

VII. Officers and Subcommittees
The presiding officers of the Body may consist of the following positions in sequential presiding order

☐ Chairperson (Chair)
☐ Vice-chairperson

and will act as designated leadership appointed by:

☐ Majority vote of members or consensus decision-making.

The designated leadership shall be responsible for conducting the meetings and will be voting members of the advisory body. A presiding officer will be designated at all times. The
designated leadership may look to Bureau liaison to facilitate meetings.

The designated leadership will encourage full and safe participation by representatives in all aspects of the process, assist in the process of building consensus, and ensure all participants abide by the Body’s operating procedures. The Chair and the Bureau staff liaison will also serve as liaison between the members of the Body and the City. In consultation with the Facilitator (if there is one) and Bureau liaison, the designated leadership will develop meeting agendas, establish subcommittees if needed, and ensure an efficient advisory process.

The Body may divide its members into subcommittees authorized to act on behalf of the full Body for an assigned purpose.

Subcommittee meetings are also subject to Oregon Public Meetings Law and must abide by quorum requirements when voting. While subcommittees may engage non-members, only members may vote to approve reports and recommendations to be forwarded to the full Body. When voting, the quorum for subcommittee members is the simple majority of the subcommittee (50% plus 1 or greater number of seats).

VIII. Facilitator Role (optional)
The City may contract with an independent and neutral third party whose role is to facilitate meetings, help develop recommendations, and produce approved reports. The Facilitator will not act as an advocate on any issue, any interest group, or any member of the Body.

Specific facilitators’ responsibilities are determined by the needs of the Bureau and advisory board, but may include:

- Ensure a welcoming meeting environment where all members can participate.
- Ensure a safe environment for minority opinions.
- Conduct meetings in a manner to foster collaborative decision-making and consensus building.

IX. Communications
Members agree that transparency is essential to all deliberations. In that regard:

- Advisory body members are required to notify City staff liaison of verbal communications with interest groups and all communications with media. Members are required to copy the City staff liaison and, when appropriate, the Facilitator on all written communications from/to interest groups (other than a group specifically represented by a member) commenting on the Body’s deliberations. These communications will be included in the public record as detailed below and copied to the Chair and/or full Body as appropriate.
- On rare occasions, some advisory bodies may ask or be asked to write position letters to external groups or governments in support or opposition of policy issues that are relevant to the purpose and scope of the Body. This is accomplished by first proposing the position to the Staff Liaison to the advisory body. The Staff Liaison and/or bureau leadership must work with PBOT’s liaison to the Office of Government Relations if the external communication is with a regional, state, federal or tribal government according
to PBOT procedures. This process is required in accordance with Administrative Rule 3.01, which establishes the Office of Government Relations as the central coordinating body for this external intergovernmental outreach.

X. Public Meetings and Records
Meetings of the full body and subcommittee meetings are open to the public and will be conducted under the provisions of Oregon Public Meetings Law (ORS 192.610-690). The Bureau liaison will provide notice to the public regarding the dates, times, and locations of all meetings:

- Regular meetings:
  - Best practices: at least one week,
  - Minimum requirement: at least 48 hours,
- Special meetings: at least 24 hours.

Per ORS 192.670(1), advisory body members can participate through telephonic conference calls. Requests for any other electronic communication means require approval from the Bureau liaison with City Attorney consultation. All records of the Body, including formal documents, discussion drafts, meeting summaries, and exhibits are public records. Communications among members related to the subject matter of this Body should not be treated as confidential and may be subject to public records requests. “Communications” refers to all statements and votes made during meetings, memoranda, work projects, records, documents, text messages, pictures, or materials developed to fulfill the charge, including electronic mail correspondence by and among the members. The personal notes of individual members taken at public meetings might be considered to be public record to the extent they “relate to the conduct of the public’s business,” (ORS 192.410(4)). Members are not allowed to deliberate towards a decision over e-mail, as public participation needs to be guaranteed through that process.

XI. Amendment of Bylaws
The Body may vote to recommend to the Elected-in-Charge amendment or repeal of these Bylaws. The Bureau may also recommend changes to the Elected-in-Charge. The Elected-in-Charge must sign off on original bylaws and any amendments to the bylaws. Members have no authority to amend bylaws without approval.
