Southwest In Motion (SWIM) Plan Stakeholder Working Group (SWG)

Stakeholder Identification Activity Results from SWG Meeting #1
Thurs. Sept 28, 2017 4:30-6:00 pm

During the first Stakeholder Working Group (SWG) meeting for Southwest In Motion plan, Working Group members discussed the composition of the group itself and recognized that their group did not reflect the diversity of people, needs, and experiences found in the Southwest district.

Staff invited SWG members and members of the public to help populate a list of additional stakeholder groups to include as a part of our engagement process. In addition to identifying a stakeholder group or organization, Staff asked participants to specify if they had individual connections, relationships or other types access to these groups, to improve the chances of connection and involvement during the planning process.

During and after the meeting staff sorted this list into related categories, and they intend to use this list to help guide additional stakeholder outreach and engagement. The following categories emerged from this activity:

- Assisted Living and Affordable Housing Residents and Providers
- Business Community
- Community Organizations/Groups
- Higher Educational Institutions
- Land Owners
- Parks and Community Centers
- Pedestrians and Bicyclists of All Types
- People of Color and Immigrant Communities
- People with Disabilities
- Religious Organizations and Communities
- Social Service Providers and Clients
- Transit Dependent Populations
- Veterans
- Youth Educational Institutions

The Portland Bureau of Transportation fully complies with Title VI of the Civil Rights Act of 1964, the ADA Title II, and related statutes and regulations in all programs and activities. For accommodations, complaints and information, call (503) 823-5185, City TTY (503) 823-6868, or use Oregon Relay Service: 711.
