PORTLAND FREIGHT COMMITTEE

## **Summary of 2017 PFC Priorities**

### Regional Over-Dimensional Truck Route Study

- ✓ Project completed and Final Report delivered in March.
- ✓ On July 19<sup>th</sup> City Council accepted the Over-Dimensional Truck Route Study to include the recommended capital improvement projects in the City's Transportation System Plan.

### 2017 Transportation and Growth Management Program

- ✓ PBOT submitted three TGM funding request in June: 1) Freight Master Plan Update (\$150,000 request), 2) Columbia/Lombard Mobility Corridor (\$200,000 request), and Smart City Plan (\$200,000 request).
- ✓ Only the Columbia/Lombard Mobility Corridor project was funded.

### Sustainable Freight Strategy

- ✓ Participated in panel discussion on April 11<sup>th</sup> at the 2017 Green Transportation Summit and presented Portland's Freight and Logistics Vision for the 21st Century.

### Transportation System Development Charge Update Projects

- ✓ Held PFC workgroup on March 8<sup>th</sup> to prepare list of projects for inclusion on the TSDC eligibility list. Three projects identified in the Regional Over-Dimensional Truck Study were added to the TSDC list: 1) N. Portland Rd Slough Bridge, 2) Columbia Blvd/UPRR Undercrossing, and 3) Columbia Blvd/George Middle School Pedestrian Bridge.

### Heavy Vehicle Use Tax Projects

- ✓ The Portland Freight Committee recommended \$3.2 million in priority maintenance projects and \$3.63 million in priority safety projects for a total of \$6.83 million from the Heavy Vehicle Use Tax allocation which were approved for implementation by the Fixing Our Streets Oversight Committee.

### Status of Previously Funded Capital Freight Projects

- ✓ North Burgard/Lombard-Time Oil Road Project (RFF funded) - project construction in 2018.
- ✓ NE 47<sup>th</sup> Avenue Improvement Project (LID and SDC funded) - project construction in 2018.
- ✓ NE MLK/Columbia Blvd Intersection Improvements (RFF funded) - project construction in 2018.
- ✓ N. Rivergate Overcrossing (SDC/Port/TIGER funded) – project design and right-of-way phases in 2018.

### Portland Truck Parking and Loading Plan

- ✓ PFC members participate on Stakeholder Advisory Committee to update truck loading and parking guidelines.

### Regional Freight Strategy Update

- ✓ PFC members and PBOT freight staff continue participation in Regional Freight Advisory Committee to guide the development of the regional freight strategy and system performance measures for the 2018 RTP Update.

### Oregon Freight Advisory Committee

- ✓ PFC members and PBOT freight staff continue participation in bi-monthly OFAC meetings and sub-committees which included the ODOT Freight Intermodal Connector Study.

### Portland Region Value Pricing Policy Advisory Committee

- ✓ Several PFC members serve on the Value Pricing Advisory Committee which will advise the Oregon Transportation Commission on options to implement value pricing to reduce congestion on I-5 and I-205 in the Portland region. The Committee is scheduled to meet six times between November 2017 and June 2018.

### PFC Letters Submitted in 2017

- ✓ March 2<sup>nd</sup> - Heavy Vehicle Use Tax project recommendations to Fixing Our Streets Oversight Committee.
- ✓ June 6<sup>th</sup> - Support letter to TGM committee to fund Freight Master Plan Update.
- ✓ August 3<sup>rd</sup> - Support letter to Christine Leon for Transportation System Development Charge projects.
- ✓ September 14<sup>th</sup> – Support letter to Mayor and Council for Central City I-5 Rose Quarter Improvement Project.
- ✓ December 15<sup>th</sup> – Support letter to OTC for evaluating development of a Mid-Willamette Valley Intermodal Facility.
