

Every One Rides

Adaptive Cycle Event at Sunday Parkways

June 24, 2018
11 a.m. – 4 p.m.

Harper's Playground
at Arbor Lodge Park
2525 N Dekum St., Portland

Free and Open to all Families!

This family-friendly, youth focused event, is an opportunity to try several types of adaptive bicycle technology and devices that assist children in physical activity.

We'll provide a small, blocked-off location, adjacent to Harper's Playground where families can gather to try out the adaptive bicycles, meet and share with other parents, and be a part of the Sunday Parkways spirit, while still having their own space to ride.

Please bring a helmet (we may have a few on hand).

Every One Rides is a partnership of:

Providence Transportation Management • Adaptive & Inclusive Recreation Portland Parks & Recreation • Kerr Bikes Adaptive Rentals • goBabyGo / Oregon State University • Different Spokes • Adaptive Sports NW • United Cerebral Palsy Association • Portland Hand Cycling • Northwest Down Syndrome Association • Providence Children's Development Institute • Swindell's Resource Center • AMBUCS: creating mobility & Independence for Oregon/SW Washington • Portland Bureau of Transportation • Adaptive BIKETOWN
