SOUTHWEST IN MOTION

DRAFT: Crossing Enhancements

These projects are lower cost enhancements to create new or improved crossings on key Southwest streets. Most crossing locations are based on Safe Routes to School planned crossings. Additional crossings were identified as part of our online community engagement.

This list is for discussion purposes only. Crossing enhancement locations may require further analysis by engineers.

Draft Crossing Enhancement List

These projects are lower cost enhancements to create new or improved crossings. Most crossing locations are based on Safe Routes to School planned crossings. Additional crossings were identified as part of our online community engagement.

Cost estimates and project details are based on planning-level assumptions. Level of confidence in these estimates is low. All costs, project details described here are drafts and are subject to change.

9/7/2018 Draft for Working Group Discussion

Priority Projects

These locations received strong support from the online wikimapping engagement, asking "places people want to cross"
