

NE 102nd AVE SAFETY PROJECT

DESIGN REVIEW OPEN HOUSE

Please join us to:

- See PBOT's design recommendations.
- Learn about the pilot project and evaluation process.
- Share your thoughts and suggestions.

When: Wednesday, January 9th 5-7PM

Drop by anytime to review materials at your own pace.
Refreshments provided!

Where: Crossroads Church Community Room
2505 NE 102nd Ave

The NE 102nd Ave Safety Project goals are to reduce crashes and vehicle speeds and improve pedestrian crossings, access to transit, and bicycle access on NE 102nd Ave between Weidler and Sandy.

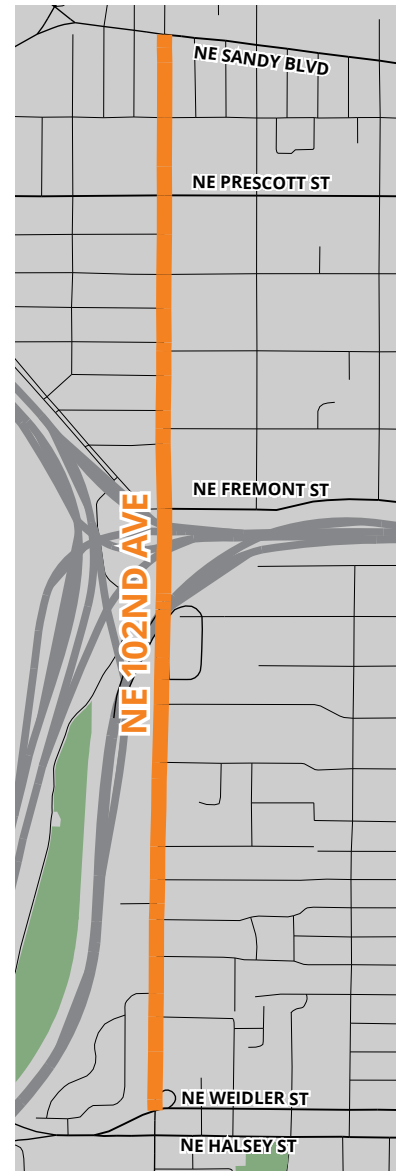

PBOT is proposing a pilot that will change the road from five to three lanes throughout most of the corridor to meet these goals.
