PBOT Portland Bureau of Transportation
Project Purpose

• Develop a feasible, near-term implementation strategy to make walking, bicycling, and riding transit safer and more attractive options in the fast-growing Northwest District Town Center.
Project Update

• Tier 1 projects advanced with more detailed design concepts
Project Update

- Tier 1 projects advanced with more detailed design concepts
- 27th/Upshur/29th incorporated into Savier Neighborhood Greenway
Public Comment

Do you have anything to share with the group?
NWIM Draft Projects

Review + Discuss Project Concepts

1) Neighborhood Greenways
2) Transit Improvements
3) Corridor Improvements
NWIM Draft Projects

Ways to give feedback tonight:

1. [Image of hands]
2. [Color swatches: green, yellow, red]
3. [Worksheet]

NWIM Draft Projects

Review + Discuss Project Concepts

1) Neighborhood Greenways
2) Transit Improvements
3) Corridor Improvements
Upcoming Public Involvement

1) Next CAG meeting
   • Early June—will discuss costs, refined design details, traffic/parking impacts, implementation strategy, and next steps

2) Online Open House with Roadshow
   • Presentations to NWDA and NW Parking SAC, tabling, and office hours

3) NWIM project passport

4) Pedalpalooza & Green Loop
Do you have any final thoughts before the draft projects are presented to the public?
Thank you!
