

NE 9th Ave Neighborhood Greenway

CONNECTING PEOPLE FROM LLOYD TO WOODLAWN

Hello Neighbor!

Join us for a Neighborhood Meeting to learn about and discuss a new transportation project in the King, Sabin and Vernon neighborhoods.

The **Portland Bureau of Transportation** proposes a new calm and safe walking and biking route on NE 9th Ave connecting Northeast Portland neighbors to important destinations like schools, churches, and parks. In order to achieve this goal PBOT is proposing **traffic pattern changes, intersection improvements, improved crossings and some changes to street parking in the area.**

The decision to build a low-stress, traffic calmed walking and biking route on NE 9th Ave **comes after nearly two years of public engagement and community conversations around transportation in and around Northeast Portland.** PBOT is excited to engage neighbors as we finalize traffic pattern changes and other details to support this new all-ages-and-abilities walking and biking route.
