

## **Bike Safety P.E. Unit: Opt-out assignment**

At the Portland Bureau of Transportation (PBOT), safety is our main concern.

Review the following materials from three programs and projects within our bureau:

### **PedPDX: Portland's Pedestrian Plan** (pedpdx.com)

- 1) Two-page overview: <https://www.portlandoregon.gov/transportation/article/713125>
- 2) Interactive map:  
<http://pdx.maps.arcgis.com/apps/MapSeries/index.html?appid=f0b9f95b3fc44cff946bd58707e99bb2>
- 3) Pedestrian story videos: <https://www.portlandoregon.gov/transportation/article/667994>

### **PedPDX: Walking While Black**

- 1) News blog: <https://www.portlandoregon.gov/transportation/article/725213>

### **Vision Zero: Saving Lives with Safe Streets** (visionzeroportland.com)

- 1) 2-Year Update Report: <https://www.portlandoregon.gov/transportation/article/734631>

**Assignment:** Using information that you've learned, write a one-page (500 words) essay on your experience as a road user.

Please describe:

- What is your experience on the street?
- What experiences are missing from PBOT's safety analysis?
- How is your experience as a: pedestrian, TriMet user, bike rider, scooter rider or skateboarder represented?
- How is your experience as a: pedestrian, TriMet user, bike rider, scooter rider or skateboarder NOT represented?
