 - Recruitment is now live (Michelle sent link to PAC members last week). We have 5 seats available. Please forward far and wide!
 - We are sending out to our PAC and PedPDX email lists.
 - Applications are due Jan 8. Subcommittee will review applications soon after. Tracking to have new appointments by February.

6:30– 7:25: N Lombard (55 min)

Jen Bachman (ODOT Project Mgr.)

ODOT continues to advance the North Lombard Project, which provides extensive multi-modal safety improvements along N Lombard from N Fiske to N Boston. Jen first presented at the PAC meeting in March, 2019. After the March meeting the PAC submitted a thoughtful letter of support for the project, while also expressing concern over some pedestrian design elements. Then in July, ODOT received a draft letter from Commission Eudaly, also expressing support for the overall project but concern that some pedestrian elements should be further developed. Since receiving those letters, ODOT explored the areas of concern. We are returning to the PAC to provide an update on the project and discuss how we addressed those concerns.

7:25-8:20: Fixing Our Streets 2 (55 min)

Mark Lear PBOT

Mark Lear from PBOT will present a summary of the proposal to continue the Fixing Our Streets ten-cent local gas/diesel tax on light vehicles and Heavy Vehicle Use Tax. He will provide an update on the presentation provided at the last BAC meeting and ask the Bicycle Advisory Committee for their endorsement that City Council refer this proposal to Portland voters in May 2020.

Key questions/issues for the PAC:

- Is there support to endorse the Fixing Our Streets 2 proposal?
- Are there any recommendations to improve the proposal or implementation of the proposal?
- Are there recommendations on additional ways to improve our outreach on this proposal over the next few months?
