**About**

In 2019, The Richmond Neighborhood asked Portland Bureau of Transportation to look at the ways to better manage on street parking along and next to SE Division. It will take most of 2020 to develop this plan. City Council must approve the new plan before it is implemented. Any proposed permit program would need to be voted in by the residents. The focus area for plan is along SE Division St between 29thPL and SE Caesar E. Chavez Blvd.
