This proof must be dated within the past 30 days and include your name and your address. Proof provided will be subject to verification.

In the interest of preserving the livability of your neighborhood, your Neighborhood Association and Parking Committee requires all applicants in Zones F, H and I to declare the number of available off-street parking spaces. The number of resident permits allowed per address will be reduced proportionately by the number of off-street parking spaces. This does not affect guest permit allotment.

Off-street Parking Space Definition
