### Tree Code Oversight Advisory Committee

#### **REVISED DRAFT -- Defining Success – REVISED DRAFT**

##### **Of the code:**

- The code is implemented as envisioned and intended.\*
- People understand the purpose and value of having a tree code.
- On-the-ground implementation occurs transparently, consistently and fairly.
- Residents, businesses and developers are able and willing to comply with the code in the short and long term.
- Early implementation of the tree code contributes to meeting canopy targets as described in the 2007 Urban Forest Action Plan

##### **Of the committee's work and process:**

- Discussions during committee meetings are professional and balanced.
- The Committee provides City staff with useful advice that contributes to success of the code.
- Committee is able to complete its deliverables as stated in the protocols.

##### **Of the education and outreach effort:**

- Portlanders are aware of the updated tree regulations and where to obtain more information.
- Portlanders understand the value of the urban forest to quality of life.
